17 securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given

40 offices against a member state in default to enforce compliance with the provisions of the compact
41 and its promulgated rules and bylaws. The relief sought may include both injunctive relief and

1 damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all
 2 costs of such litigation, including reasonable attorney's fees.

 22 physical therapy licensing board to comply with the investigative and adverse action reporting
 23 requirements of this act prior to the effective date of withdrawal.

24 D. Nothing contained in this compact shall be construed to invalidate or prevent any
 25 physical therapy licensure agreement or other cooperative arrangement between a member state and
 26 a nonmember state that does not conflict with the provisions of this compact.

27 E. This compact may be amended by the member states. No amendment to this compact
 28 shall become effective and binding upon any member state until it is enacted into the laws of all
 29 member states.
