1 as they each relate to issuance and renewal of licenses and certificates. "Issuance and renewal of
2 licenses and certificates" means the ministerial function of preparing and delivering licenses or
3 certificates, and obtaining material and information for the board or commission in connection with
4 the renewal thereof. It does not include any discretionary authority with regard to the original
5 review of an applicant's qualifications for licensure or certification, or the subsequent review of
6 licensee's or certificate holder's qualifications, or any disciplinary action contemplated against the
7 licensee or certificate holder. The division may develop and implement microfilming systems and
8 automated or manual management information systems.

9 5. The director of the division shall maintain a system of accounting and budgeting, in
10 cooperation with the director of the department, the office of administration, and the state auditor's

13 moneys sufficient to reimburse the division and other state agencies for all services rendered and all

19 from each board's fund. Each board shall contribute a prorated amount necessary to fund the
20 division for services rendered and rent based upon the system of accounting and budgeting
21 established by the director of the division as provided in subsection 5 of this section. Transfers of
22 funds to the professional registration fees fund shall be made by each board on July first of each
23 year; provided, however, that the director of the division may establish an alternative date or dates
24 of transfers at the request of any board. Such transfers shall be made until they equal the prorated
25 amount for services rendered and rent by the division. The provisions of section 33.080 to the
26 contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of
27 general revenue.

28 7. The director of the division shall be responsible for collecting and accounting for all

43 extent as any other person. Provided, however, that any board may disclose confidential
44 information without the consent of the person involved in the course of voluntary interstate
45 exchange of information, or in the course of any litigation concerning that person, or pursuant to a
46 lawful request, or to other administrative or law enforcement agencies acting within the scope of
47 their statutory authority. Information regarding identity, including names and addresses,
48 registration, and currency of the license of the persons possessing licenses to engage in a

1 professional occupation and the names and addresses of applicants for such licenses is not
2 confidential information.

3 9. Any deliberations conducted and votes taken in rendering a final decision after a hearing
4 before an agency assigned to the division shall be closed to the parties and the public. Once a final
5 decision is rendered, that decision shall be made available to the parties and the public.

6 10. A compelling governmental interest shall be deemed to exist for the purposes of section
7 536.025 for licensure fees to be reduced by emergency rule, if the projected fund balance of any
8 agency assigned to the division of professional registration is reasonably expected to exceed an
9 amount that would require transfer from that fund to general revenue.

21 statutory duties and powers, except those clerical and other staff services involving collecting and
22 accounting for moneys and financial management relating to the issuance and renewal of licenses,
23 which services shall be provided by the division, within the appropriation therefor. Nothing herein
24 shall prohibit employment of professional examining or testing services from professional
25 associations or others as required by the boards or commissions on contract. Nothing herein shall
26 be construed to affect the power of a board or commission to expend its funds as appropriated.
27 However, the division shall review the expense vouchers of each board. The results of such review
28 shall be submitted to the board reviewed and to the house and senate appropriations committees
29 annually.

30 (3) Notwithstanding any other provisions of law, the director of the division shall exercise
31 only those management functions of the boards and commissions specifically provided in the
32 Reorganization Act of 1974, and those relating to the allocation and assignment of space, personnel
33 other than board personnel, and equipment.

45 all persons employed in the previous year, the length of their employment, the amount of their
46 remuneration, and a description of their responsibilities.

47 (5) Board personnel for each board or commission shall be employed by and serve at the
48 pleasure of the board or commission, shall be supervised as the board or commission designates, and

1 shall have their duties and compensation prescribed by the board or commission, within
2 appropriations for that purpose, except that compensation for board personnel shall not exceed that
3 established for comparable positions as determined by the board or commission pursuant to the job
4 and pay plan of the department of insurance, financial institutions and professional registration.
5 Nothing herein shall be construed to permit salaries for any board personnel to be lowered except by

16 senior services, a public institution of higher education, or a nonprofit entity for the purpose of
17 collecting and analyzing workforce data from its licensees, registrants, or permit holders for future
18 workforce planning and to assess the accessibility and availability of qualified health care services
19 and practitioners in Missouri. The boards shall work collaboratively with other state governmental
20 entities to ensure coordination and avoid duplication of efforts.

21 (2) The boards may expend appropriated funds necessary for operational expenses of the
22 program formed under this subsection. Each board is authorized to accept grants to fund the
23 collection or analysis authorized in this subsection. Any such funds shall be deposited in the
24 respective board's fund.

25 (3) Data collection shall be controlled and approved by the applicable state board
26 conducting or requesting the collection. Notwithstanding the provisions of section 334.001, the
27 boards may release identifying data to the contractor to facilitate data analysis of the health care

35 entity or as otherwise authorized by law. Data shall only be released in an aggregate form by
36 geography, profession or professional specialization, or population characteristic in a manner that
37 cannot be used to identify a specific individual or entity. Data suppression standards shall be
38 addressed and established in the contractual agreement.

39 (5) Contractors shall maintain the security and confidentiality of data received or collected
40 under this subsection and shall not use, disclose, or release any data without approval of the
41 applicable state board. The contractual agreement between the applicable state board and contractor
42 shall establish a data release and research review policy to include legal and institutional review
43 board, or agency equivalent, approval.

44 (6) Each board may promulgate rules subject to the provisions of this subsection and
45 chapter 536 to effectuate and implement the workforce data collection and analysis authorized by
46 this subsection. Any rule or portion of a rule, as that term is defined in section 536.010, that is
47 created under the authority delegated in this section shall become effective only if it complies with
48 and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This

1 section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly
2 under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are
