The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing, and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

334.1227. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

A. Oversight

1. The executive, legislative, and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

2. All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the commission.

3. The commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact, or promulgated rules.

B. Default, Technical Assistance, and Termination

1. If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

a. Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default and/or any other action to be taken by the commission; and

b. Provide remedial training and specific technical assistance regarding the default.

2. If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the member states, and all rights, privileges and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

3. Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

4. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

5. The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

6. The defaulting state may appeal the action of the commission by petitioning the United States District Court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

C. Dispute Resolution

1. Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.

1 2. The commission shall promulgate a rule providing for both mediation and binding
2 dispute resolution for disputes as appropriate.

3 D. Enforcement

4 1. The commission, in the reasonable exercise of its discretion, shall enforce the provisions
5 and rules of this compact.

6 2. By majority vote, the commission may initiate legal action in the United States District
7 Court for the District of Columbia or the federal district where the commission has its principal
8 offices against a member state in default to enforce compliance with the provisions of the compact
9 and its promulgated rules and bylaws. The relief sought may include both injunctive relief and
10 damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all
11 costs of such litigation, including reasonable attorney's fees.

12 3. The remedies herein shall not be the exclusive remedies of the commission. The
13 commission may pursue any other remedies available under federal or state law.

14 334.1230. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR
15 PHYSICAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND
16 AMENDMENT

17 A. The compact shall come into effect on the date on which the compact statute is enacted
18 into law in the tenth member state. The provisions, which become effective at that time, shall be
19 limited to the powers granted to the commission relating to assembly and the promulgation of rules.
20 Thereafter, the commission shall meet and exercise rulemaking powers necessary to the
21 implementation and administration of the compact.

22 B. Any state that joins the compact subsequent to the commission's initial adoption of the
23 rules shall be subject to the rules as they exist on the date on which the compact becomes law in that
24 state. Any rule that has been previously adopted by the commission shall have the full force and
25 effect of law on the day the compact becomes law in that state.

26 C. Any member state may withdraw from this compact by enacting a statute repealing the
27 same.

28 1. A member state's withdrawal shall not take effect until six months after enactment of the
29 repealing statute.

30 2. Withdrawal shall not affect the continuing requirement of the withdrawing state's
31 physical therapy licensing board to comply with the investigative and adverse action reporting
32 requirements of this act prior to the effective date of withdrawal.

33 D. Nothing contained in this compact shall be construed to invalidate or prevent any
34 physical therapy licensure agreement or other cooperative arrangement between a member state and
35 a nonmember state that does not conflict with the provisions of this compact.

36 E. This compact may be amended by the member states. No amendment to this compact
37 shall become effective and binding upon any member state until it is enacted into the laws of all
38 member states.

39 334.1233. CONSTRUCTION AND SEVERABILITY

40 This compact shall be liberally construed so as to effectuate the purposes thereof. The
41 provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this
42 compact is declared to be contrary to the constitution of any party state or of the United States or the
43 applicability thereof to any government, agency, person or circumstance is held invalid, the validity
44 of the remainder of this compact and the applicability thereof to any government, agency, person or
45 circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution
46 of any party state, the compact shall remain in full force and effect as to the remaining party states
47 and in full force and effect as to the party state affected as to all severable matters."; and
