

House _____ Amendment NO. _____

Offered By

1 AMEND House Bill No. 2376, Page 4, Section 67.5060, Lines 14-15, by deleting all of said lines
2 and inserting in lieu thereof the following:

3
4 "projects, airport runways and taxiways, storm drainage and flood control projects, or"; and

5
6 Further amend said bill and section, Page 9, Line 194, by inserting immediately after all of said line
7 the following:

8
9 "16. As used in this section, "specialty construction design" means any contract that
10 involves the provision of engineering and construction services either directly by a party to the
11 contract or through subcontractors retained by a party to the contract.

12 (1) Any political subdivision may enter into a special construction design contract for
13 engineering, design, and construction of a wastewater or water treatment project.

14 (2) In disbursing community development block grants under 42 U.S.C. Sections 5301 to
15 5321, the department of economic development shall not reject wastewater or water treatment
16 projects solely for utilizing specialty construction design contracts.

17 (3) The department of natural resources shall not preclude specialty construction design
18 contracts from consideration for funding provided by the water and wastewater loan fund under
19 section 644.122.

20 (4) A political subdivision planning a specialty construction design project shall retain an
21 engineer duly licensed in this state to assist in preparing any necessary proposal documents and
22 specifications and evaluations of submissions and proposals."; and

23
24 Further amend said bill and section by renumbering subsequent subsections accordingly; and

25
26 Further amend said bill by amending the title, enacting clause, and intersectional references
27 accordingly.
