1 Missouri; and

2 (10) Establish a standard core curriculum and a common course numbering equivalency  
3 matrix for lower-division courses to be used at community colleges and other public institutions of  
4 higher education to facilitate student transfers as provided under sections 178.785 to 178.789.

5 178.785. The provisions of sections 178.785 to 178.789 shall be known and may be cited as  
6 the "Higher Education Core Curriculum Transfer Act". For purposes of sections 178.785 to  
7 178.789, the following terms mean:

8 (1) "Coordinating board", the coordinating board for higher education established in section  
9 173.005;

10 (2) "Core curriculum", the basic competencies to be met, which shall include  
11 communicating, higher-order thinking, managing information, cultural awareness, and includes the  
12 knowledge areas of social and behavioral sciences, humanities and fine arts, mathematics, life and  
13 physical skills;

14 (3) "Faculty member", a person who is employed full-time by a community college or other  
15 public institution of higher education as a member of the faculty whose primary duties include  
16 teaching, research, academic service, or administration;

17 (4) "Native student", a student who has not transferred from one institution of higher  
18 education to another.

19 178.786. 1. The coordinating board for higher education, with the assistance of an advisory  
20 committee composed of representatives from each public community college in this state and each  
21 public four-year institution of higher education, shall develop a recommended lower division core  
22 curriculum of forty-two semester credit hours, including a statement of the content, component  
23 areas, and objectives of the core curriculum. A majority of the members of the advisory committee  
24 shall be faculty members of a community college or a public four-year institution of higher  
25 education.

26 2. The coordinating board shall approve a common course numbering equivalency matrix  
27 for the forty-two credit hour block at all institutions of higher education in the state to facilitate the  
28 transfer of those courses among institutions of higher education by promoting consistency in course  
29 designation and course identification. Each community college and four-year institution of higher  
30 education shall include in its course listings the applicable course numbers from the common course  
31 numbering equivalency matrix approved by the coordinating board under this subsection.

32 3. The coordinating board shall complete the requirements of subsections 1 and 2 of this  
33 section prior to January 1, 2018, for implementation of the core curriculum transfer  
34 recommendations for the 2018-19 academic year for all public institutions of higher education.

35 178.787. 1. Each community college, as defined in section 163.191, and public four-year  
36 institution of higher education shall adopt the forty-two credit hour block, including specific courses  
37 comprising the curriculum, based on the core curriculum recommendations made by the  
38 coordinating board for higher education under subsections 1 and 2 of section 178.786, for  
39 implementation beginning in the 2018-19 academic year.

40 2. If a student successfully completes the forty-two credit core curriculum at a community  
41 college or other public institution of higher education, that block of courses may be transferred to  
42 any other public institution of higher education in this state and shall be substituted for the receiving  
43 institution's core curriculum. A student shall receive academic credit for each of the courses  
44 transferred and shall not be required to take additional core curriculum courses at the receiving  
45 institution.

46 3. A student who transfers from one public institution of higher education to a another  
47 public institution of higher education in the state without completing the core curriculum of the  
48 sending institution shall receive academic credit from the receiving institution for each of the

1 courses that the student has successfully completed in the core curriculum of the sending institution.  
2 Following receipt of credit for these courses, the student may be required to satisfy further course  
3 requirements in the core curriculum of the receiving institution.

4 178.788. 1. The coordinating board for higher education, in consultation with the advisory  
5 board established in section 178.786, shall develop criteria to evaluate the transfer practices of each  
6 public institution of higher education in this state and shall evaluate the transfer practices of each  
7 institution based on this criteria.

8 2. The coordinating board shall develop procedures to be followed by institutions of higher  
9 education in resolving disputes concerning the transfer of course credit and by the commissioner of  
10 higher education in making a final determination concerning transfer of course credit if a transfer is  
11 in dispute.

12 3. Each institution of higher education shall publish in its course catalogs and on its official  
13 website the procedures adopted by the board under subsections 1 and 2 of this section.

14 4. If an institution of higher education does not accept course credit earned by a student at  
15 another public institution of higher education, that institution shall give written notice to the student  
16 and the other institution that the transfer of the course credit is denied. The two institutions and the  
17 student shall attempt to resolve the transfer of the course credit in accordance with rules  
18 promulgated by the coordinating board. If the transfer dispute is not resolved to the satisfaction of  
19 the student or the institution at which the credit was earned within forty-five days after the date the  
20 student received written notice of the denial, the institution that denies the transfer of the course  
21 credit shall notify the commissioner of higher education of its denial and the reasons for the denial.

22 5. The commissioner of higher education or his or her designee shall make the final  
23 determination about a dispute concerning the transfer of course credit and give written notice of the  
24 determination as to the involved student and institutions.

25 6. The coordinating board shall collect data on the types of transfer disputes that are  
26 reported and the disposition of each case that is considered by the commissioner of higher education  
27 or the commissioner's designee.

28 7. The provisions of sections 178.785 to 178.789 shall not apply to native students who are  
29 not seeking to transfer credits nor affect the authority of an institution of higher education to adopt  
30 its own admission standards or its own grading policies.

31 178.789. The coordinating board for higher education may promulgate all necessary rules  
32 and regulations for the administration of sections 178.785 to 178.789. Any rule or portion of a rule,  
33 as that term is defined in section 536.010, that is created under the authority delegated in this section  
34 shall become effective only if it complies with and is subject to all of the provisions of chapter 536  
35 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the  
36 powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective  
37 date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of  
38 rulemaking authority and any rule proposed or adopted after August 28, 2016, shall be invalid and  
39 void."; and

40  
41 Further amend said bill by amending the title, enacting clause, and intersectional references  
42 accordingly.
