## FISCAL ANALYSIS

### ASSUMPTION

Officials at the **Department of Elementary and Secondary Education (DESE)** assume the Sheltered Workshop Boards (within DESE's budget) are not established by Chapter 205; but, under Chapter 178.900. The boards established under Chapter 205 are county boards that levy a county mill tax to support county residents. The boards established under Chapter 178 are private not-for-profit corporations with the purpose of establishing and operating a workshop business; they have no taxing authority. This proposed legislation has no direct financial impact to the workshop corporations other than through their individual relationship with the Chapter 205 county boards.

Officials at the **Office of the Secretary of State**, the **Department of Mental Health**, the **Department of Social Services** and the **State Tax Commission** each assume no fiscal impact to their respective agencies from this proposal.

Officials at **St. Louis County**, **Cole County**, the **Callaway County Commission**, the **City of Kansas City** and the **City of Columbia** each assume no fiscal impact to their respective entities from this proposal.
