**FISCAL ANALYSIS**

**ASSUMPTION**

Officials at the **Department of Economic Development - Missouri Housing Development Commission** assume the proposal would not impact their organization.

Officials at the **Office of Administration's Division of Budget and Planning (BAP)** state while this proposal would not directly impact Total State Revenues, it does modify the pool of potential tenants for Low-Income Housing projects, and could alter the pool of eligible applicants for the Missouri Low-Income Housing Tax Credit. There is a \$6,000,000 cap on the tax credit program which is already issued in full, annually. This proposal will have no impact on the calculation under Article X, Section 18(e).

Officials at the **Department of Revenue** and the **Department of Insurance, Financial Institutions, and Professional Registration** each assume no fiscal impact from this proposal to their respective organizations.

<u>FISCAL IMPACT - State Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

**FISCAL IMPACT - Small Business**

No direct fiscal impact to small businesses would be expected as a result of this proposal.

**FISCAL DESCRIPTION**

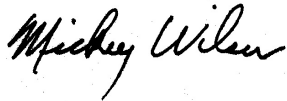

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
