## FISCAL ANALYSIS

### ASSUMPTION

Officials at the **Department of Safety - Gaming Commission** assume this proposal would not have a fiscal impact on their organization.

Officials from the **Office of the Secretary of State (SOS)** states many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognized that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognized that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with the core budget. Therefore, the SOS reserved the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process.

<u>FISCAL IMPACT - State Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

### FISCAL DESCRIPTION

This bill allows any person who has been a bona fide member of an organization licensed to conduct bingo for a least six months to participate in the operation of a bingo game. Currently, an ordained member of the clergy and any full-time employee or staff member of the licensed organization who has been employed for at least two years by the organization and in a capacity not directly related to the game of bingo may volunteer his or her time and assistance, without compensation, to participate in the operation of a bingo game for the organization. This bill changes the amount of time he or she is employed by the organization from two years to six months.

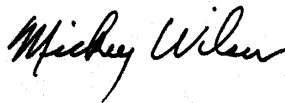

This proposal is contingent upon the voters of Missouri approving a constitutional amendment allowing its provisions to take effect.

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
