## FISCAL ANALYSIS

### ASSUMPTION

In response to the previous version of this proposal, officials from the **Office of State Public Defender (SPD)** stated for the purpose of this proposed legislation, officials from the SPD cannot assume that existing staff will provide competent, effective representation for any new cases where indigent persons face penalties for failure to report elder abuse.

While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide effective representation in all cases.

**Oversight** assumes the SPD can absorb the additional caseload that may result from this proposal.

Officials from the **Department of Health and Senior Services**, the **Department of Corrections**, the **Missouri Office of Prosecution Services** and the **Office of State Courts Administrator** each assume the proposal would not fiscally impact their respective agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019

<u>FISCAL IMPACT - Local Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019

### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

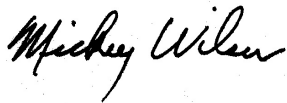

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
