**FISCAL ANALYSIS**

**ASSUMPTION**

**Oversight** was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials from the **Missouri Consolidated Health Care Plan** assume the current proposal would not fiscally impact their agency.

In response to a similar proposal from this session, SB 908, Oversight received the following responses:

Officials from the **Department of Transportation**, the **Missouri Department of Conservation**, the **Department of Mental Health**, the **Department of Health and Senior Services**, the **Department of Social Services** and the **Department of Insurance, Financial Institutions and Professional Registration** each assumed the current proposal would not fiscally impact their respective agencies.
