FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials from the **Attorney General's Office** assume that any potential costs arising from this proposal can be absorbed with existing resources.

Officials from the **Office of the State Courts Administrator** assume the current proposal would not fiscally impact their agency.

Oversight assumes this proposal allows Missouri to participate in an interstate Physical Therapy Licensure Compact. It is assumed there may be some administrative costs associated with this participation. The proposal states that a fee may be charged to Physical Therapy licensees. Oversight assumes this fee will be calculated to offset the costs created by this proposal.
