24 (1) Has or whose spouse with whom he or she is living has, prior to July 1, 1989, given

28 subsection, and subsection 5 of this section) any resource or interest therein owned by such
29 individual or spouse within the twenty-four months preceding the initial investigation, or at any

37 some other purpose;

38 (b) The resource shall be considered in determining eligibility from the date of the
39 transfer for the number of months the uncompensated value of the disposed of resource is

49 convincing evidence that the uncompensated value of the disposed of resource or any part thereof
50 is no longer possessed or owned by the person to whom the resource was transferred;

51 (3) Has received, or whose spouse with whom he or she is living has received, benefits
52 to which he or she was not entitled through misrepresentation or nondisclosure of material facts
53 or failure to report any change in status or correct information with respect to property or income

64 excluding amounts placed in an irrevocable prearranged funeral or burial contract under chapter
65 436, or has an interest in property, of which he or she is the record or beneficial owner, the value
66 of such property, as determined by the family support division, less encumbrances of record,
67 exceeds twenty-nine thousand dollars, or if married and actually living together with husband
68 or wife, if the value of his or her property, or the value of his or her interest in property, together
69 with that of such husband and wife, exceeds such amount;

70 (6) In the case of temporary assistance for needy families, if the parent, stepparent, and
71 child or children in the home owns or possesses property of any kind or character, or has an

84 3. In determining eligibility and the amount of benefits to be granted pursuant to
85 federally aided programs, the income and resources of a relative or other person living in the
86 home shall be taken into account to the extent the income, resources, support and maintenance
87 are allowed by federal law or regulation to be considered.

88 4. In determining eligibility and the amount of benefits to be granted pursuant to
89 federally aided programs, the value of burial lots or any amounts placed in an irrevocable

90 prearranged funeral or burial contract under chapter 436 shall not be taken into account or
91 considered an asset of the burial lot owner or the beneficiary of an irrevocable prearranged
92 funeral or funeral contract. For purposes of this section, "burial lots" means any burial space as
93 defined in section 214.270 and any memorial, monument, marker, tombstone or letter marking
94 a burial space. If the beneficiary, as defined in chapter 436, of an irrevocable prearranged funeral
95 or burial contract receives any public assistance benefits pursuant to this chapter and if the
96 purchaser of such contract or his or her successors in interest transfer, amend, or take any other
97 such actions regarding the contract so that any person will be entitled to a refund, such refund
98 shall be paid to the state of Missouri with any amount in excess of the public assistance benefits
99 provided under this chapter to be refunded by the state of Missouri to the purchaser or his or her
100 successors. In determining eligibility and the amount of benefits to be granted under federally
101 aided programs, the value of any life insurance policy where a seller or provider is made the
102 beneficiary or where the life insurance policy is assigned to a seller or provider, either being in
103 consideration for an irrevocable prearranged funeral contract under chapter 436, shall not be
104 taken into account or considered an asset of the beneficiary of the irrevocable prearranged funeral
105 contract. In addition, the value of any funds, up to nine thousand nine hundred ninety-nine
106 dollars, placed into an irrevocable personal funeral trust account, where the trustee of the
107 irrevocable personal funeral trust account is a state or federally chartered financial institution
108 authorized to exercise trust powers in the state of Missouri, shall not be taken into account or
109 considered an asset of the person whose funds are so deposited if such funds are restricted to be
110 used only for the burial, funeral, preparation of the body, or other final disposition of the person
111 whose funds were deposited into said personal funeral trust account. No person or entity shall
112 charge more than ten percent of the total amount deposited into a personal funeral trust in order
113 to create or set up said personal funeral trust, and any fees charged for the maintenance of such
114 a personal funeral trust shall not exceed three percent of the trust assets annually. Trustees may
115 commingle funds from two or more such personal funeral trust accounts so long as accurate
116 books and records are kept as to the value, deposits, and disbursements of each individual
117 depositor's funds and trustees are to use the prudent investor standard as to the investment of any
118 funds placed into a personal funeral trust. If the person whose funds are deposited into the
119 personal funeral trust account receives any public assistance benefits pursuant to this chapter and
120 any funds in the personal funeral trust account are, for any reason, not spent on the burial,
121 funeral, preparation of the body, or other final disposition of the person whose funds were
122 deposited into the trust account, such funds shall be paid to the state of Missouri with any
123 amount in excess of the public assistance benefits provided under this chapter to be refunded by
124 the state of Missouri to the person who received public assistance benefits or his or her
125 successors. No contract with any cemetery, funeral establishment, or any provider or seller shall

126 be required in regards to funds placed into a personal funeral trust account as set out in this
127 subsection.

128 5. In determining the total property owned pursuant to subdivision (5) of subsection 2
129 of this section, or resources, of any person claiming or for whom public assistance is claimed,
130 there shall be disregarded any life insurance policy, or prearranged funeral or burial contract, or
131 any two or more policies or contracts, or any combination of policies and contracts, which
132 provides for the payment of one thousand five hundred dollars or less upon the death of any of
133 the following:

134 (1) A claimant or person for whom benefits are claimed; or

135 (2) The spouse of a claimant or person for whom benefits are claimed with whom he or
136 she is living.

137 If the value of such policies exceeds one thousand five hundred dollars, then the total value of
138 such policies may be considered in determining resources; except that, in the case of temporary
139 assistance for needy families, there shall be disregarded any prearranged funeral or burial
140 contract, or any two or more contracts, which provides for the payment of one thousand five
141 hundred dollars or less per family member.

145 comply with the provisions of the federal statutes and regulations. As necessary, the division
146 shall by rule or regulation implement the federal law and regulations which shall include but not
147 be limited to the establishment of income and resource standards and limitations. The division
148 shall require:

149 (1) That at the beginning of a period of continuous institutionalization that is expected
150 to last for thirty days or more, the institutionalized spouse, or the community spouse, may request
151 an assessment by the family support division of total countable resources owned by either or both
152 spouses;

153 (2) That the assessed resources of the institutionalized spouse and the community spouse
154 may be allocated so that each receives an equal share;

155 (3) That upon an initial eligibility determination, if the community spouse's share does
156 not equal at least twelve thousand dollars, the institutionalized spouse may transfer to the
157 community spouse a resource allowance to increase the community spouse's share to twelve
158 thousand dollars;

159 (4) That in the determination of initial eligibility of the institutionalized spouse, no
160 resources attributed to the community spouse shall be used in determining the eligibility of the
161 institutionalized spouse, except to the extent that the resources attributed to the community

162 spouse do exceed the community spouse's resource allowance as defined in 42 U.S.C. Section
163 1396r-5;

164 (5) That beginning in January, 1990, the amount specified in subdivision (3) of this
165 subsection shall be increased by the percentage increase in the Consumer Price Index for All
166 Urban Consumers between September, 1988, and the September before the calendar year
167 involved; and

168 (6) That beginning the month after initial eligibility for the institutionalized spouse is
169 determined, the resources of the community spouse shall not be considered available to the
170 institutionalized spouse during that continuous period of institutionalization.

171 7. Beginning July 1, 1989, institutionalized individuals shall be ineligible for the periods
172 required and for the reasons specified in 42 U.S.C. Section 1396p.

173 8. The hearings required by 42 U.S.C. Section 1396r-5 shall be conducted pursuant to
174 the provisions of section 208.080.

175 9. Beginning October 1, 1989, when determining eligibility for assistance pursuant to
176 this chapter there shall be disregarded unless otherwise provided by federal or state statutes the
177 home of the applicant or recipient when the home is providing shelter to the applicant or
178 recipient, or his or her spouse or dependent child. The family support division shall establish by
179 rule or regulation in conformance with applicable federal statutes and regulations a definition of
180 the home and when the home shall be considered a resource that shall be considered in
181 determining eligibility.

182 10. Reimbursement for services provided by an enrolled Medicaid provider to a recipient
183 who is duly entitled to Title XIX Medicaid and Title XVIII Medicare Part B, Supplementary
184 Medical Insurance (SMI) shall include payment in full of deductible and coinsurance amounts
185 as determined due pursuant to the applicable provisions of federal regulations pertaining to Title
186 XVIII Medicare Part B, except for hospital outpatient services or the applicable Title XIX cost
187 sharing.

188 11. A "community spouse" is defined as being the noninstitutionalized spouse.

189 12. An institutionalized spouse applying for Medicaid and having a spouse living in the
190 community shall be required, to the maximum extent permitted by law, to divert income to such
191 community spouse to raise the community spouse's income to the level of the minimum monthly
192 needs allowance, as described in 42 U.S.C. Section 1396r-5. Such diversion of income shall
193 occur before the community spouse is allowed to retain assets in excess of the community spouse
194 protected amount described in 42 U.S.C. Section 1396r-5.
