

SECOND REGULAR SESSION

HOUSE BILL NO. 1643

98TH GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVE HICKS.

4984H.011

D. ADAM CRUMBLISS, Chief Clerk

AN ACT

To repeal section 170.310, RSMo, and to enact in lieu thereof one new section relating to cardiopulmonary instruction in schools.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 170.310, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 170.310, to read as follows:

170.310. 1. **For school year 2017-18 and each school year thereafter, upon graduation from high school, pupils in public schools and charter schools shall have received thirty minutes of cardiopulmonary resuscitation instruction and training in the proper performance of the Heimlich maneuver or other first aid for choking given any time during a pupil's four years of high school.**

2. **Beginning in school year 2017-18**, any public school or charter school serving grades nine through twelve [may] **shall** provide enrolled students instruction in cardiopulmonary resuscitation. Students with disabilities may participate to the extent appropriate as determined by the provisions of the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act. [Instruction may be embedded in any health education course] **Instruction shall be included in the district's existing health or physical education curriculum.** Instruction shall be based on a program established by the American Heart Association or the American Red Cross, or through a nationally recognized program based on the most current national evidence-based emergency cardiovascular care guidelines, and psychomotor skills development shall be incorporated into the instruction. For purposes of this section, "psychomotor skills" means the use of hands-on practicing and skills testing to support cognitive learning.

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

18 [2.] 3. The teacher of the cardiopulmonary resuscitation course or unit shall not be
19 required to be a certified trainer of cardiopulmonary resuscitation if the instruction is not
20 designed to result in certification of students. Instruction that is designed to result in certification
21 being earned shall be required to be taught by an authorized cardiopulmonary instructor. Schools
22 may develop agreements with any local chapter of a voluntary organization of first responders
23 to provide the required hands-on practice and skills testing.

24 [3.] 4. The department of elementary and secondary education may promulgate rules to
25 implement this section. Any rule or portion of a rule, as that term is defined in section 536.010,
26 that is created under the authority delegated in this section shall become effective only if it
27 complies with and is subject to all of the provisions of chapter 536 and, if applicable, section
28 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the
29 general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove
30 and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority
31 and any rule proposed or adopted after August 28, 2012, shall be invalid and void.
