

# JOURNAL OF THE HOUSE

Second Regular Session, 98th GENERAL ASSEMBLY

---

THIRTY-SECOND DAY, WEDNESDAY, MARCH 2, 2016

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

*The Lord is my defense: and God is the rock of my refuge. (Psalm 94:22)*

O Lord, my Rock, who is the refuge of all peoples, we pray that our lives may be built not upon the shifting sands of superficial spirits but upon the firm foundation of a fruitful faith in You.

As we pray, reveal to us Your glory, make known Your wisdom, and awaken in us a greater desire for goodness, truth, and humility that our affections may be purified, our ambitions refined, our minds cleansed, and a right spirit be renewed within us. Ennobled by Your presence, may we be, for our generation, channels through which Your kingdom may come and Your will be done on earth.

We pray for our State that our people may grow in a sense of sincere responsibility, may cultivate the spirit of harmony, and may dare to be practical citizens sustaining the hands and hearts of all who venture to end tensions and to bring peace to all points of our Show-Me State.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-first day was approved as printed.

Further amend said bill and page, Section 301.067, Line 16, by inserting after all of said section and line the following:

"301.560. 1. In addition to the application forms prescribed by the department, each applicant shall submit the following to the department:

(1) Every application other than a renewal application for a motor vehicle franchise dealer shall include a certification that the applicant has a bona fide established place of business. Such application shall include an annual certification that the applicant has a bona fide established place of business for the first three years and only for every other year thereafter. The certification shall be performed by a uniformed member of the Missouri state highway patrol or authorized or designated employee stationed in the troop area in which the applicant's place of business is located; except that in counties of the first classification, certification may be performed by an officer of a metropolitan police department when the applicant's established place of business of distributing or selling motor vehicles or trailers is in the metropolitan area where the certifying metropolitan police officer is employed. When the application is being made for licensure as a boat manufacturer or boat dealer, certification shall be performed by a uniformed member of the Missouri state [water patrol stationed in the district area in which the applicant's place of business is located or by a uniformed member of the Missouri state] highway patrol **or authorized or designated employee** stationed in the troop area in which the applicant's place of business is located or, if the applicant's place of business is located within the jurisdiction of a metropolitan police department in a first class county, by an officer of such metropolitan police department. A bona fide established place of business for any new motor vehicle franchise dealer, used motor vehicle dealer, boat dealer, powersport dealer, wholesale motor vehicle dealer, trailer dealer, or wholesale or public auction shall be a permanent enclosed building or structure, either owned in fee or leased and actually occupied as a place of business by the applicant for the selling, bartering, trading, servicing, or exchanging of motor vehicles, boats, personal watercraft, or trailers and wherein the public may contact the owner or operator at any reasonable time, and wherein shall be kept and maintained the books, records, files and other matters required and necessary to conduct the business. The applicant's place of business shall contain a working telephone which shall be maintained during the entire registration year. In order to qualify as a bona fide established place of business for all applicants licensed pursuant to this section there shall be an exterior sign displayed carrying

the name of the business set forth in letters at least six inches in height and clearly visible to the public and there shall be an area or lot which shall not be a public street on which multiple vehicles, boats, personal watercraft, or trailers may be displayed. The sign shall contain the name of the dealership by which it is known to the public through advertising or otherwise, which need not be identical to the name appearing on the dealership's license so long as such name is registered as a fictitious name with the secretary of state, has been approved by its line-make manufacturer in writing in the case of a new motor vehicle franchise dealer and a copy of such fictitious name registration has been provided to the department. Dealers who sell only emergency vehicles as defined in section 301.550 are exempt from maintaining a bona fide place of business, including the related law enforcement certification requirements, and from meeting the minimum yearly sales;

(2) The initial application for licensure shall include a photograph, not to exceed eight inches by ten inches but no less than five inches by seven inches, showing the business building, lot, and sign. A new motor vehicle franchise dealer applicant who has purchased a currently licensed new motor vehicle franchised dealership shall be allowed to submit a photograph of the existing dealership building, lot and sign but shall be required to submit a new photograph upon the installation of the new dealership sign as required by sections 301.550 to 301.573. Applicants shall not be required to submit a photograph annually unless the business has moved from its previously licensed location, or unless the name of the business or address has changed, or unless the class of business has changed;

(3) Every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a powersport dealer, a wholesale motor vehicle dealer, trailer dealer, or boat dealer shall furnish with the application a corporate surety bond or an irrevocable letter of credit as defined in section 400.5-102, issued by any state or federal financial institution in the penal sum of twenty-five thousand dollars on a form approved by the department. The bond or irrevocable letter of credit shall be conditioned upon the dealer complying with the provisions of the statutes applicable to new motor vehicle franchise dealers, used motor vehicle dealers, powersport dealers, wholesale motor vehicle dealers, trailer dealers, and boat dealers, and the bond shall be an indemnity for any loss sustained by reason of the acts of the person bonded when such acts constitute grounds for the suspension or revocation of the dealer's license. The bond shall be executed in the name of the state of Missouri for the benefit of all aggrieved parties or the irrevocable letter of credit shall name the state of Missouri as the beneficiary; except, that the aggregate liability of the surety or financial institution to the aggrieved parties shall, in no event, exceed the amount of the bond or irrevocable letter of credit. The proceeds of the bond or irrevocable letter of credit shall be paid upon receipt by the department of a final judgment from a Missouri court of competent jurisdiction against the principal and in favor of an aggrieved party. Additionally, every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a powersport dealer, a wholesale motor vehicle dealer, or boat dealer shall furnish with the application a copy of a current dealer garage policy bearing the policy number and name of the insurer and the insured;

(4) Payment of all necessary license fees as established by the department. In establishing the amount of the annual license fees, the department shall, as near as possible, produce sufficient total income to offset operational expenses of the department relating to the administration of sections 301.550 to 301.580. All fees payable pursuant to the provisions of sections 301.550 to 301.580, other than those fees collected for the issuance of dealer plates or certificates of number collected pursuant to subsection 6 of this section, shall be collected by the department for deposit in the state treasury to the credit of the "Motor Vehicle Commission Fund", which is hereby created. The motor vehicle commission fund shall be administered by the Missouri department of revenue. The provisions of section 33.080 to the contrary notwithstanding, money in such fund shall not be transferred and placed to the credit of the general revenue fund until the amount in the motor vehicle commission fund at the end of the biennium exceeds two times the amount of the appropriation from such fund for the preceding fiscal year or, if the department requires permit renewal less frequently than yearly, then three times the appropriation from such fund for the preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the multiple of the appropriation from such fund for the preceding fiscal year.

2. In the event a new vehicle manufacturer, boat manufacturer, motor vehicle dealer, wholesale motor vehicle dealer, boat dealer, powersport dealer, wholesale motor vehicle auction, trailer dealer, or a public motor vehicle auction submits an application for a license for a new business and the applicant has complied with all the provisions of this section, the department shall make a decision to grant or deny the license to the applicant within eight working hours after receipt of the dealer's application, notwithstanding any rule of the department.

3. Upon the initial issuance of a license by the department, the department shall assign a distinctive dealer license number or certificate of number to the applicant and the department shall issue one number plate or certificate bearing the distinctive dealer license number or certificate of number and two additional number plates or certificates of number within eight working hours after presentment of the application. Upon renewal, the department shall issue the distinctive dealer license number or certificate of number as quickly as possible. The issuance of such distinctive dealer license number or certificate of number shall be in lieu of registering each motor

vehicle, trailer, vessel or vessel trailer dealt with by a boat dealer, boat manufacturer, manufacturer, public motor vehicle auction, wholesale motor vehicle dealer, wholesale motor vehicle auction or new or used motor vehicle dealer.

4. Notwithstanding any other provision of the law to the contrary, the department shall assign the following distinctive dealer license numbers to:

For purposes of this subsection, qualified transactions shall include the purchase of salvage titled vehicles by a licensed salvage dealer. In order for salvage dealers to obtain number plates or certificates under this section, dealers shall submit to the department of revenue on August first of each year a statement certifying, under penalty of perjury, the dealer's number of purchases during the reporting period of July first of the immediately preceding year to June thirtieth of the present year. The provisions of this subsection shall become effective on the date the director of the department of revenue begins to reissue new license plates under section 301.130, or on December 1, 2008, whichever occurs first. If the director of revenue begins reissuing new license plates under the authority granted under section 301.130 prior to December 1, 2008, the director of the department of revenue shall notify the revisor of statutes of such fact.

5. Upon the sale of a currently licensed new motor vehicle franchise dealership the department shall, upon request, authorize the new approved dealer applicant to retain the selling dealer's license number and shall cause the new dealer's records to indicate such transfer.

6. In the case of new motor vehicle manufacturers, motor vehicle dealers, powersport dealers, recreational motor vehicle dealers, and trailer dealers, the department shall issue one number plate bearing the distinctive dealer license number and may issue two additional number plates to the applicant upon payment by the manufacturer or dealer of a fifty dollar fee for the number plate bearing the distinctive dealer license number and ten dollars and fifty cents for each additional number plate. Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. Boat dealers and boat manufacturers shall be entitled to one certificate of number bearing such number upon the payment of a fifty dollar fee. An applicant seeking the issuance of an initial license shall indicate on his or her initial application the applicant's proposed annual number of sales in order for the director to issue the appropriate number of additional plates or certificates of number. A motor vehicle dealer, trailer dealer, boat dealer, powersport dealer, recreational motor vehicle dealer, motor vehicle manufacturer, boat manufacturer, or wholesale motor vehicle dealer obtaining a distinctive dealer license plate or certificate of number or additional license plate or additional certificate of number, throughout the calendar year, shall be required to pay a fee for such license plates or certificates of number computed on the basis of one-twelfth of the full fee prescribed for the original and duplicate number plates or certificates of number for such dealers' licenses, multiplied by the number of months remaining in the licensing period for which the dealer or manufacturers shall be required to be licensed. In the event of a renewing dealer, the fee due at the time of renewal shall not be prorated. Wholesale and public auctions shall be issued a certificate of dealer registration in lieu of a dealer number plate. In order for dealers to obtain number plates or certificates under
