

HB 1396 -- ADDRESS CONFIDENTIALITY PROGRAM

SPONSOR: McCreery

Currently, the Secretary of State administers a program to protect victims of domestic violence, rape, sexual assault, or stalking by assigning substitute addresses to such victims. State and local government agencies must accept the substitute address when creating public records relating to a participant in the program. This bill allows victims of human trafficking to participate in the program.

This bill is the same as HB 368 (2015).
