

HB 1717 -- NOTICE REQUIREMENTS FOR VOTES TO CEASE FLUORIDATION

SPONSOR: Lichtenegger

This bill requires public water systems under Chapter 640, RSMo, and water supply districts under Chapter 247 to notify the Department of Health and Senior Services, Department of Natural Resources, and its customers, at least 90 days prior to any meeting held at which a vote to modify the fluoridation of water in the system or district will occur. If the water system is an investor-owned water supply, the entity calling for the modifications is responsible for the meeting and the notice requirements.

The bill contains an emergency clause.

This bill is the same as HB 119 (2015).
