

HB 1736 -- LOW-INCOME HOUSING TAX CREDITS

SPONSOR: Davis

This bill defines a qualified allocation plan, for the purposes of low-income housing tax credits, as any plan with selection criteria to be used to determine housing priorities, which must provide that veterans be recognized as a priority tenant population with special housing needs. Under these provisions, a veteran is any person who:

(1) Served in the active military, naval, or air service, and was discharged or released under conditions other than dishonorable, as evidenced by a DD Form 214 certificate of release or discharge from active duty; or

(2) Served on active national guard duty under Titles 10 or 32 of the United States Code or under Chapter 41, as evidenced by a NGB Form 22 report of separation and record of service.

For the purposes of this section, the term veteran includes his or her surviving spouse.

This bill is the same as HB 737 (2015).
