

HB 1776 -- BINGO

SPONSOR: Engler

This bill allows any person who has been a bona fide member of an organization licensed to conduct bingo for a least six months to participate in the operation of a bingo game.

Currently, an ordained member of the clergy and any full-time employee or staff member of the licensed organization who has been employed for at least two years by the organization and in a capacity not directly related to the game of bingo may volunteer his or her time and assistance, without compensation, to participate in the operation of a bingo game for the organization. This bill changes the amount of time he or she is employed by the organization from two years to six months.

This bill is the same as HB 1532 (2016).
