

HB 1876 -- MEDICALLY COMPLEX CHILDREN

SPONSOR: Haefner

This bill requires the Department of Social Services to have authority to advance the development of systems of care for medically complex children who are recipients of MO HealthNet benefits by accepting cost-effective regional proposals from and contracting with appropriate pediatric care networks, pediatric centers for excellence, and medical homes for children to provide MO HealthNet benefits when the department determines it is cost effective to do so.

This bill is the same as HB 1308 (2015).
