

HB 1963 -- EARLY PAROLE OF GERIATRIC INMATES

SPONSOR: Lair

This bill specifies that any incarcerated offender 65 years of age or older who has no prior felony convictions of a violent nature and who is serving a sentence of life without parole for a minimum of 50 years or more must receive a parole hearing upon serving 25 years or more of his or her sentence.

The Board of Probation and Parole within the Department of Corrections must determine whether there is a reasonable probability that the offender will not violate the law upon release and therefore is eligible for release based upon a finding that the offender meets specified criteria.

Any offender who is not granted parole under these provisions must be eligible for reconsideration every two years until a presumptive release date is established.

This bill is the same as HB 344 (2015).
