

HB 2378 -- SALES TAX FOR SOCCER STADIUM IN ST. LOUIS

SPONSOR: English

This bill authorizes, upon voter approval, a local sales and use tax of up to .1% for the funding of a professional soccer stadium in St. Louis County or the City of St. Louis. The tax cannot take effect unless a major league soccer expansion team is awarded to St. Louis or the surrounding metropolitan area before December 31, 2020 and terminates on December 31 in the year revenue collected from the tax equals at least \$100 million. Revenue from the sales tax will be deposited into the newly created St. Louis Soccer Stadium Fund to be used by the Greater St. Louis Sports Authority for the acquisition and development of land, and the construction and maintenance of the stadium.
