

HB 2690 -- MISSOURI-KANSAS BORDER ECONOMIC INCENTIVES ALLIANCE ACT

SPONSOR: Corlew

This bill enacts the Missouri-Kansas Border Economic Incentives Alliance Act, except that this bill will instead enact the Kansas Jobs Recruitment Act if the restrictions on providing economic incentives to those businesses that move from Kansas border counties to Missouri border counties within the Kansas City metropolitan area expire under Subsection 6 of Section 135.1670, RSMo. Accordingly, Missouri shall continue its prohibition on luring Kansas businesses into Missouri with economic incentives if Kansas reciprocates. If not, Missouri shall then create such economic incentives.

This bill is similar to SB 1100 (2016).
