12 **until modified by an appropriate authority in the remote state, as may be defined in the**  
13 **rules of the commission.**

14           **4. Except as provided in subsection 3 of this section, an individual practicing in a**

**334.1512. Upon a member state's governor's declaration of a state of emergency or**  
2 **disaster that activates the Emergency Management Assistance Compact (EMAC), all**

**334.1515. 1. Member states shall consider a veteran, active military service**  
2 **member, or member of the National Guard and Reserves separating from an active duty**

3 tour, or a spouse thereof, who holds a current, valid, and unrestricted NREMT  
4 certification at or above the level of the state license being sought as satisfying the  
5 minimum training and examination requirements for such licensure.

6 2. Member states shall expedite the process of licensure applications submitted by  
7 veterans, active military service members, or members of the National Guard and Reserves  
8 separating from an active duty tour, or their spouses.

9 3. All individuals functioning with a privilege to practice under this section remain  
10 subject to the adverse action provisions of section 334.1518.

2 against an individual's license issued by the home state.

3 2. If an individual's license in any home state is restricted, suspended, or revoked,  
4 the individual shall not be eligible to practice in a remote state under the privilege to  
5 practice until the individual's home state license is restored.

6 (1) All home state adverse action orders shall include a statement that the  
7 individual's compact privileges are inactive. The order may allow the individual to  
8 practice in remote states with prior written authorization from both the home state and the  
9 remote state's EMS authority.

10 (2) An individual currently subject to adverse action in the home state shall not  
11 practice in any remote state without prior written authorization from both the home state  
12 and remote state's EMS authority.

14 individual's compact privileges are restricted, suspended, or revoked to the commission in  
15 accordance with the rules of the commission.

16 4. A remote state may take adverse action on an individual's privilege to practice  
17 within that state.

18 5. Any member state may take adverse action against an individual's privilege to  
19 practice in that state based on the factual findings of another member state, so long as each  
20 state follows its own procedures for imposing such adverse action.

21 6. A home state's EMS authority shall investigate and take appropriate action with  
22 respect to reported conduct in a remote state as it would if such conduct had occurred  
23 within the home state. In such cases, the home state's law shall control in determining the  
24 appropriate adverse action.

25 7. Nothing in this compact shall override a member state's decision that  
26 participation in an alternative program may be used in lieu of adverse action and that such  
27 participation shall remain nonpublic if required by the member state's laws. Member  
28 states shall require individuals who enter any alternative programs to agree not to practice

29 in any other member state during the term of the alternative program without prior  
30 authorization from such other member state.

334.1521. A member state's EMS authority, in addition to any other powers  
2 granted under state law, is authorized under this compact to:

3 (1) Issue subpoenas for both hearings and investigations that require the  
4 attendance and testimony of witnesses and the production of evidence. Subpoenas issued  
5 by a member state's EMS authority for the attendance and testimony of witnesses or the  
6 production of evidence from another member state shall be enforced in the remote state  
7 by any court of competent jurisdiction according to that court's practice and procedure in  
8 considering subpoenas issued in its own proceedings. The issuing state's EMS authority  
9 shall pay any witness fees, travel expenses, mileage, and other fees required by the service  
10 statutes of the state where the witnesses or evidence is located; and

11 (2) Issue cease and desist orders to restrict, suspend, or revoke an individual's

2 known as the "Interstate Commission for EMS Personnel Practice".

3 (1) The commission is a body politic and an instrumentality of the compact states.

4 (2) Venue is proper and judicial proceedings by or against the commission shall be  
5 brought solely and exclusively in a court of competent jurisdiction where the principal  
6 office of the commission is located. The commission may waive venue and jurisdictional  
7 defenses to the extent it adopts or consents to participate in alternative dispute resolution  
8 proceedings.

9 (3) Nothing in this compact shall be construed to be a waiver of sovereign  
10 immunity.

11 2. Each member state shall have and be limited to one delegate. The responsible  
12 official of the state EMS authority or his or her designee shall be the delegate to this  
13 compact for each member state. Any delegate may be removed or suspended from office  
14 as provided by the law of the state from which the delegate is appointed. Any vacancy  
15 occurring in the commission shall be filled in accordance with the laws of the member state  
16 in which the vacancy exists. In the event that more than one board, office, or other agency  
17 with the legislative mandate to license EMS personnel at and above the level of EMT exists,  
18 the governor of the state will determine which entity will be responsible for assigning the  
19 delegate.

20 (1) Each delegate shall be entitled to one vote with regard to the promulgation of  
21 rules and creation of bylaws, and shall otherwise have an opportunity to participate in the  
22 business and affairs of the commission. A delegate shall vote in person or by such other

23 means as provided in the bylaws. The bylaws may provide for delegates' participation in  
24 meetings by telephone or other means of communication.

25 (2) The commission shall meet at least once during each calendar year. Additional  
26 meetings shall be held as set forth in the bylaws.

27 (3) All meetings shall be open to the public, and public notice of meetings shall be  
28 given in the same manner as required under the rulemaking provisions in section 334.1530.

29 (4) The commission may convene in a closed, nonpublic meeting if the commission  
30 must discuss:

31 (a) Noncompliance of a member state with its obligations under the compact;

32 (b) The employment, compensation, discipline or other personnel matters,  
33 practices, or procedures related to specific employees, or other matters related to the  
34 commission's internal personnel practices and procedures;

35 (c) Current, threatened, or reasonably anticipated litigation;

36 (d) Negotiation of contracts for the purchase or sale of goods, services, or real  
37 estate;

38 (e) Accusing any person of a crime or formally censuring any person;

39 (f) Disclosure of trade secrets or commercial or financial information that is  
40 privileged or confidential;

42 clearly unwarranted invasion of personal privacy;

43 (h) Disclosure of investigatory records compiled for law enforcement purposes;

44 (i) Disclosure of information related to any investigatory reports prepared by or  
45 on behalf of or for use of the commission or other committee charged with responsibility  
46 of investigation or determination of compliance issues pursuant to the compact; or

47 (j) Matters specifically exempted from disclosure by federal or member state  
48 statute.

49 (5) If a meeting or portion of a meeting is closed under this section, the  
50 commission's legal counsel or designee shall certify that the meeting may be closed and  
51 shall reference each relevant exempting provision. The commission shall keep minutes that  
52 fully and clearly describe all matters discussed in a meeting and shall provide a full and  
53 accurate summary of actions taken and the reasons therefor, including a description of the  
54 views expressed. All documents considered in connection with an action shall be identified  
55 in such minutes. All minutes and documents of a closed meeting shall remain under seal,  
56 subject to release by a majority vote of the commission or order of a court of competent  
57 jurisdiction.

58           **3. The commission shall, by a majority vote of the delegates, prescribe bylaws and**  
59 **rules to govern its conduct as may be necessary or appropriate to carry out the purposes**  
60 **and exercise the powers of the compact including, but not limited to:**

61           **(1) Establishing the fiscal year of the commission;**

62           **(2) Providing reasonable standards and procedures:**

63           **(a) For the establishment and meetings of other committees; and**

65 **commission;**

66           **(3) Providing reasonable procedures for calling and conducting meetings of the**

68 **opportunity for attendance of such meetings by interested parties, with enumerated**  
69 **exceptions designed to protect the public's interest, the privacy of individuals, and**  
70 **proprietary information, including trade secrets. The commission may meet in closed**  
71 **session only after a majority of the membership votes to close a meeting in whole or in part.**  
72 **As soon as practicable, the commission shall make public a copy of the vote to close the**  
73 **meeting revealing the vote of each member with no proxy votes allowed;**

74           **(4) Establishing the titles, duties and authority, and reasonable procedures for the**  
75 **election of the officers of the commission;**

76           **(5) Providing reasonable standards and procedures for the establishment of the**  
77 **personnel policies and programs of the commission. Notwithstanding any civil service or**  
78 **other similar laws of any member state, the bylaws shall exclusively govern the personnel**  
79 **policies and programs of the commission;**

80           **(6) Promulgating a code of ethics to address permissible and prohibited activities**  
81 **of commission members and employees;**

82           **(7) Providing a mechanism for winding up the operations of the commission and**  
83 **the equitable disposition of any surplus funds that may exist after the termination of the**  
84 **compact after the payment or reserving of all of its debts and obligations;**

85           **(8) The commission shall publish its bylaws and file a copy thereof, and a copy of**  
86 **any amendment thereto, with the appropriate agency or officer in each of the member**  
87 **states, if any;**

88           **(9) The commission shall maintain its financial records in accordance with the**  
89 **bylaws; and**

92           **4. The commission shall have the following powers:**

93           **(1) To promulgate uniform rules to facilitate and coordinate implementation and**  
94 **administration of this compact. The rules shall have the force and effect of law and shall**  
95 **be binding on all member states;**

96           **(2) To bring and prosecute legal proceedings or actions in the name of the**  
97 **commission; provided that, the standing of any state EMS authority or other regulatory**  
98 **body responsible for EMS personnel licensure to sue or be sued under applicable law shall**  
99 **not be affected;**

100           **(3) To purchase and maintain insurance and bonds;**

104 **grant such individuals appropriate authority to carry out the purposes of the compact, and**  
105 **to establish the commission's personnel policies and programs relating to conflicts of**  
106 **interest, qualifications of personnel, and other related personnel matters;**

107           **(6) To accept any and all appropriate donations and grants of money, equipment,**  
108 **supplies, materials, and services, and to receive, utilize, and dispose of the same; provided**  
109 **that, at all times the commission shall strive to avoid any appearance of impropriety and**  
110 **conflict of interest;**

111           **(7) To lease, purchase, accept appropriate gifts or donations of, or otherwise to**  
112 **own, hold, improve, or use any property, real, personal, or mixed; provided that, at all**

133 **activities of the commission and its staff, which shall be in a total amount sufficient to cover**  
134 **its annual budget as approved each year for which revenue is not provided by other**  
135 **sources. The aggregate annual assessment amount shall be allocated based upon a formula**

14          **(7) Any denial of application for licensure and the reasons for such denial; and**

15          **(8) Other information that may facilitate the administration of this compact, as**  
16 **determined by the rules of the commission.**

17          **3. The coordinated database administrator shall promptly notify all member states**  
18 **of any adverse action taken against, or significant investigative information on, any**  
19 **individual in a member state.**

20          **4. Member states contributing information to the coordinated database may**  
21 **designate information that shall not be shared with the public without the express**  
22 **permission of the contributing state.**

23          **5. Any information submitted to the coordinated database that is subsequently**  
24 **required to be expunged by the laws of the member state contributing the information shall**  
25 **be removed from the coordinated database.**

**334.1530. 1. The commission shall exercise its rulemaking powers pursuant to the**  
2 **criteria set forth in this section and the rules adopted thereunder. Rules and amendments**  
3 **shall become binding as of the date specified in each rule or amendment.**

4           **2. If a majority of the legislatures of the member states rejects a rule by enactment**  
5 **of a statute or resolution in the same manner used to adopt the compact, then such rule**  
6 **shall have no further force and effect in any member state.**

7           **3. Rules or amendments to the rules shall be adopted at a regular or special meeting**  
8 **of the commission.**

9           **4. Prior to promulgation and adoption of a final rule or rules by the commission,**  
10 **and at least sixty days in advance of the meeting at which the rule or rules will be**  
11 **considered and voted upon, the commission shall file a notice of proposed rulemaking:**

12           **(1) On the website of the commission; and**

13           **(2) On the website of each member state's EMS authority or the publication in**  
14 **which each state would otherwise publish proposed rules.**

15           **5. The notice of proposed rulemaking shall include:**

16           **(1) The proposed time, date, and location of the meeting at which the rule will be**  
17 **considered and voted upon;**

18           **(2) The text of the proposed rule or amendment and the reason for the proposed**  
19 **rule;**

20           **(3) A request for comments on the proposed rule from any interested person; and**

21           **(4) The manner in which interested parties may submit notice to the commission**  
22 **of their intention to attend the public hearing and any written comments.**

23           **6. Prior to adoption of a proposed rule, the commission shall allow persons to**  
24 **submit written data, facts, opinions, and arguments that shall be made available to the**  
25 **public.**

26           **7. The commission shall grant an opportunity for a public hearing before it adopts**  
27 **a rule or amendment if a hearing is requested by:**

28           **(1) At least twenty-five persons;**

29           **(2) A governmental subdivision or agency; or**

30           **(3) An association having at least twenty-five members.**

31           **8. If a hearing is held on the proposed rule or amendment, the commission shall**  
32 **publish the place, time, and date of the scheduled public hearing.**

33           **(1) All persons wishing to be heard at the hearing shall notify the executive director**  
34 **of the commission or other designated member in writing of their desire to appear and**  
35 **testify at the hearing not less than five business days before the scheduled date of the**  
36 **hearing.**

37           **(2) Hearings shall be conducted in a manner providing each person who wishes to**  
38 **comment a fair and reasonable opportunity to comment orally or in writing.**

39           **(3) No transcript of the hearing is required, unless a written request for a transcript**  
40 **is made, in which case the person requesting the transcript shall bear the cost of producing**  
41 **the transcript. A recording may be made in lieu of a transcript under the same terms and**  
42 **conditions as a transcript. This subdivision shall not preclude the commission from**  
43 **making a transcript or recording of the hearing if it so chooses.**

44           **(4) Nothing in this section shall be construed as requiring a separate hearing on**  
45 **each rule. Rules may be grouped for the convenience of the commission at hearings**  
46 **required by this section.**

47           **9. Following the scheduled hearing date, or by the close of business on the**  
48 **scheduled hearing date if the hearing was not held, the commission shall consider all**  
49 **written and oral comments received.**

50           **10. The commission shall, by majority vote of all members, take final action on the**  
51 **proposed rule and shall determine the effective date of the rule, if any, based on the**  
52 **rulemaking record and the full text of the rule.**

53           **11. If no written notice of intent to attend the public hearing by interested parties**  
54 **is received, the commission may proceed with promulgation of the proposed rule without**  
55 **a public hearing.**

56           **12. Upon determination that an emergency exists, the commission may consider and**  
57 **adopt an emergency rule without prior notice, opportunity for comment, or hearing;**  
58 **provided that, the usual rulemaking procedures provided in the compact and in this section**  
59 **shall be retroactively applied to the rule as soon as reasonably possible, in no event later**  
60 **than ninety days after the effective date of the rule. For the purposes of this provision, an**  
61 **emergency rule is one that shall be adopted immediately in order to:**

62           **(1) Meet an imminent threat to public health, safety, or welfare;**

63           **(2) Prevent a loss of commission or member state funds;**

64           **(3) Meet a deadline for the promulgation of an administrative rule that is**  
65 **established by federal law or rule; or**

66           **(4) Protect public health and safety.**

67           **13. The commission or an authorized committee of the commission may direct**  
68 **revisions to a previously adopted rule or amendment for purposes of correcting**  
69 **typographical errors, errors in format, errors in consistency, or grammatical errors.**  
70 **Public notice of any revisions shall be posted on the website of the commission. The**  
71 **revision shall be subject to challenge by any person for a period of thirty days after**  
72 **posting. The revision may be challenged only on grounds that the revision results in a**  
73 **material change to a rule. A challenge shall be made in writing and delivered to the chair**  
74 **of the commission prior to the end of the notice period. If no challenge is made, the**

75 revision will take effect without further action. If the revision is challenged, the revision  
76 may not take effect without the approval of the commission.

334.1533. 1. The executive, legislative, and judicial branches of state government  
2 in each member state shall enforce this compact and take all actions necessary and  
3 appropriate to effectuate the compact's purposes and intent. The provisions of this  
4 compact and the rules promulgated hereunder shall have standing as statutory law.

5 2. All courts shall take judicial notice of the compact and the rules in any judicial  
6 or administrative proceedings in a member state pertaining to the subject matter of this  
7 compact which may affect the powers, responsibilities, or actions of the commission.

8 3. The commission shall be entitled to receive service of process in any such  
9 proceeding and shall have standing to intervene in such a proceeding for all purposes.  
10 Failure to provide service of process to the commission shall render a judgment or order  
11 void as to the commission, this compact, or promulgated rules.

12 4. If the commission determines that a member state has defaulted in the  
13 performance of its obligations or responsibilities under this compact or the promulgated  
14 rules, the commission shall:

15 (1) Provide written notice to the defaulting state and other member states of the  
16 nature of the default, the proposed means of curing the default, or any other action to be  
17 taken by the commission; and

18 (2) Provide remedial training and specific technical assistance regarding the  
19 default.

20 5. If a state in default fails to cure the default, the defaulting state may be  
21 terminated from the compact upon an affirmative vote of a majority of the member states,  
22 and all rights, privileges, and benefits conferred by this compact may be terminated on the  
23 effective date of termination. A cure of the default does not relieve the offending state of  
24 obligations or liabilities incurred during the period of default.

25 6. Termination of membership in the compact shall be imposed only after all other  
26 means of securing compliance have been exhausted. Notice of intent to suspend or  
27 terminate shall be given by the commission to the governor, the majority and minority  
28 leaders of the defaulting state's legislature, and each of the member states.

29 7. A state that has been terminated is responsible for all assessments, obligations,  
30 and liabilities incurred through the effective date of termination, including obligations that  
31 extend beyond the effective date of termination.

32 8. The commission shall not bear any costs related to a state that is found to be in  
33 default or that has been terminated from the compact unless agreed upon in writing  
34 between the commission and the defaulting state.

35           **9. The defaulting state may appeal the action of the commission by petitioning the**  
36 **United States District Court for the District of Columbia or the federal district where the**  
37 **commission has its principal offices. The prevailing member shall be awarded all costs of**  
38 **such litigation, including reasonable attorney's fees.**

39           **10. Upon a request by a member state, the commission shall attempt to resolve**  
40 **disputes related to the compact that arise among member states and between member and**  
41 **nonmember states.**

42           **11. The commission shall promulgate a rule providing for both mediation and**  
43 **binding dispute resolution for disputes as appropriate.**

44           **12. The commission, in the reasonable exercise of its discretion, shall enforce the**  
45 **provisions and rules of this compact.**

46           **13. By majority vote, the commission may initiate legal action in the United States**  
47 **District Court for the District of Columbia or the federal district where the commission has**  
48 **its principal offices against a member state in default to enforce compliance with the**  
49 **provisions of the compact and its promulgated rules and bylaws. The relief sought may**  
50 **include both injunctive relief and damages. In the event judicial enforcement is necessary,**  
51 **the prevailing member shall be awarded all costs of such litigation, including reasonable**  
52 **attorney's fees.**

53           **14. The remedies herein shall not be the exclusive remedies of the commission. The**  
54 **commission may pursue any other remedies available under federal or state law.**

**334.1536. 1. The compact shall come into effect on the date on which the compact**  
2 **statute is enacted into law in the tenth member state. The provisions, which become**  
3 **effective at that time, shall be limited to the powers granted to the commission relating to**  
4 **assembly and the promulgation of rules. Thereafter, the commission shall meet and**  
5 **exercise rulemaking powers necessary to the implementation and administration of the**  
6 **compact.**

7           **2. Any state that joins the compact subsequent to the commission's initial adoption**  
8 **of the rules shall be subject to the rules as they exist on the date on which the compact**  
9 **becomes law in that state. Any rule that has been previously adopted by the commission**  
10 **shall have the full force and effect of law on the day the compact becomes law in that state.**

11           **3. Any member state may withdraw from this compact by enacting a statute**  
12 **repealing the same.**

13           **(1) A member state's withdrawal shall not take effect until six months after**  
14 **enactment of the repealing statute.**

15           **(2) Withdrawal shall not affect the continuing requirement of the withdrawing**  
16 **state's EMS authority to comply with the investigative and adverse action reporting**  
17 **requirements of this act prior to the effective date of withdrawal.**

18           **4. Nothing contained in this compact shall be construed to invalidate or prevent any**  
19 **EMS personnel licensure agreement or other cooperative arrangement between a member**  
20 **state and a nonmember state that does not conflict with the provisions of this compact.**

21           **5. This compact may be amended by the member states. No amendment to this**  
22 **compact shall become effective and binding upon any member state until it is enacted into**  
23 **the laws of all member states.**

**334.1539. This compact shall be liberally construed so as to effectuate the purposes**  
2 **thereof. If this compact shall be held contrary to the constitution of any member state**  
3 **thereto, the compact shall remain in full force and effect as to the remaining member**  
4 **states. Nothing in this compact supersedes state law or rules related to licensure of EMS**  
5 **agencies.**
