

HB 557 -- RELATING TO LAND SURVEYORS

SPONSOR: Ross

This bill removes any requirement for letters of reference in order to apply for enrollment as a land surveyor-in-training or to apply for licensure as a professional land surveyor. The law currently requires an applicant for land surveyor-in-training to provide three letters of reference, at least one of which must be from a professional land surveyor who has personal knowledge of the applicant's land surveying education or experience. An applicant for licensure as a professional land surveyor must provide at least three letters of reference, all of which must be from professional land surveyors with personal knowledge of the experience of the applicant's land surveying education or experience. All other requirements would remain in effect.

This bill is the same as HB 2461 (2016).
