

HB 1209 -- MINOR TRAFFIC VIOLATIONS

SPONSOR: Matthiesen

This bill specifies that all money received by a county, city, town, or village from minor traffic violations issued by municipal police officers for violations occurring on state-maintained roads shall be sent to the Director of the Department of Revenue. However, any costs associated with collecting and processing such fines incurred by the county, city, town, or village may be retained by such county, city, town, or village. The department shall distribute the money annually to the county schools in the same manner that proceeds of all fines collected for any breach of the penal laws of Missouri are distributed.
