26 registration fee due for the vehicle. The permanent nonexpiring license plate shall be returned to
27 the highways and transportation commission upon the sale or disposal of the vehicle by the owner to
28 whom the permanent nonexpiring license plate is issued, or the plate may be transferred to a
29 replacement commercial motor vehicle when the owner files a supplemental application with the

33 payment of the annual fee, and such evidence of payment shall be carried at all times in the vehicle
34 for which it is issued.

35 (6) Upon the sale or disposal of any vehicle permanently registered under this section, or
36 upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued for such
37 vehicle shall be returned to the highways and transportation commission and shall not be valid for
38 operation of such vehicle, or the plate may be transferred to a replacement vehicle when the owner
39 files a supplemental application with the Missouri highways and transportation commission for the

25 section 301.131 and specialized license plates are exempt from the provisions of this subsection.
26 Except for new, replacement, and transfer applications, permanent nonexpiring license plates issued
27 to commercial motor vehicles and trailers registered under section 301.041 are exempt from the
28 provisions of this subsection.
