

House _____ Amendment NO. _____

Offered By

1 AMEND House Committee Substitute for House Bill No. 2265, Page 9, Section 393.1100, Lines
2 28-31, by deleting all of said lines and inserting in lieu thereof the following:

3
4 "4. (1) A customer's energy use data and internet user information are private and
5 confidential and shall not be sold, rented, or shared by an electrical corporation or its agents except
6 as provided in this subsection and as provided by competent court order or law.

7 (2) An electrical corporation or any of its agents may report any customer data, including
8 energy use data and internet user information, to the commission.

9 (3) An electrical corporation may report data relating to electric vehicle fueling to the
10 department of revenue. Such information shall be used by the department of revenue strictly for
11 taxation purposes, shall not be shared with law enforcement without a warrant, and is not subject to
12 disclosure under chapter 610, except for aggregate data used for research purposes in a
13 nonidentifying manner.

14 5. An electrical corporation shall ensure that any data from an advanced meter
15 communicated by networking technology is encrypted. An electrical corporation shall not
16 communicate by networking technology meter use data that include a residential customer's name,
17 social security number, address, or other identifying information, except for an independent and
18 unique customer identification number that is assigned by the electrical corporation. The customer
19 identification number shall be assigned in a manner that includes safeguards to prevent a device not
20 owned by the electrical corporation from associating the number with a particular customer or
21 address.

22 6. An electrical corporation shall not post a customer's energy use data or bill on the
23 internet, except over a secured transfer protocol or similar secured connection that uses one or more
24 security measures, such as a customer-selected password, to ensure that only the customer can
25 access the information."; and

26
27 Further amend said bill by amending the title, enacting clause, and intersectional references
28 accordingly.
