**Offered By**

1 AMEND House Committee Substitute for House Bill No. 2265, Page 9, Section 393.1100, Line 31,  
2 by inserting immediately after all of said line the following:

3  
4 "5. An electrical corporation shall not wirelessly or otherwise remotely shut off service to a  
5 customer unless the following requirements are met:

6 (1) At least forty-eight hours before shutoff, an electrical corporation representative verifies  
7 that the property to which the service is to be shut off is the correct address and follows all other  
8 shutoff procedures required by law; and

9 (2) The electrical corporation has a security program intended to prevent unintentional  
10 shutoff that is approved by the commission."; and

11  
12 Further amend said bill by amending the title, enacting clause, and intersectional references  
13 accordingly.
