FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Elementary and Secondary Education, Department of Social Services and Office of the State Courts Administrator** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the **Kirkville R-III School District, Northeast Nodaway R-5 School District, Summersville R2 School District and West Plains School District** each assume this proposal will have no fiscal impact on their respective organizations.

Oversight notes this proposal would require 1,044 hours of actual pupil attendance with no minimum number of school days required. Since the state adequacy target payments are currently based on hours of attendance, this would not have a fiscal impact on the school districts.
