## FISCAL ANALYSIS

### ASSUMPTION

#### §§34.378 and 507.060

Officials at the **Office of the State Courts Administrator** assume there may be some impact but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

Officials at the **Office of the Attorney General (AGO)** assume that any potential costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if there is a significant increase in litigation.

Officials at the **Office of Administration's Division of General Services**, the **Department of Insurance, Financial Institutions and Professional Registration**, the **Office of the State Public Defender** and the **Office of Prosecution Services** each assume no fiscal impact to their respective agencies from this proposal.

In response to a similar proposal (SB 915), officials from the **Office of Administration - Budget and Planning (B&P)** assumed that if this bill caps the amount of contingency fees a private attorney can recover in the act of representing the state, this could mean, in some cases, the state might retain a larger portion of settlements/awards. Court awards and settlements are counted in the TSR calculation.

**Oversight** assumes the potential impact described by B&P could be considered either speculative or not a direct fiscal impact of the proposal; therefore, Oversight will not reflect it in the fiscal note.

<u>FISCAL IMPACT - State Government</u>	FY 2019 (10 Mo.)	FY 2020	FY 2021
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2019 (10 Mo.)	FY 2020	FY 2021
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

Small businesses facing litigation could be impacted by this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
