25 combination of the foregoing; or other reasonable metrics. The division shall create a fee
26 structure for the license class system.

27 (2) The division may establish limitations upon marijuana production through one
28 or more of the following methods:

24 except that the division or local licensing authority may grant a license to a person if the

26 concentrate that would not be a felony if the person were convicted of the offense on the
27 date he or she applied for licensure;

40 **provided by the applicant regarding such criminal history record including, but not limited**
41 **to, evidence of rehabilitation, character references, and educational achievements,**
42 **especially those items pertaining to the time between the applicant's last criminal**
43 **conviction and the consideration of the application for a state license.**

44 **(2) As used in subdivision (1) of this subsection, "criminal justice agency" means**

50 **personal history information concerning the applicant's qualifications for a state license**
51 **on forms prepared by the division. The division or locality shall submit the fingerprints**
52 **to the Missouri state highway patrol for the purpose of conducting fingerprint-based**
53 **criminal history record checks. The Missouri state highway patrol shall forward the**

58 **fingerprints are unclassifiable. An applicant who has previously submitted fingerprints**
59 **for a state or local license may request that the fingerprints on file be used. The division**
60 **or locality shall use the information resulting from the fingerprint-based criminal history**
61 **record check to investigate and determine whether an applicant is qualified to hold a state**
62 **or local license under sections 195.2200 to 195.2281. The division or locality may verify any**
63 **of the information an applicant is required to submit.**

195.2215. 1. Ninety days prior to the expiration date of an existing license, the
2 division shall notify the licensee of the expiration date by first-class mail at the licensee's
3 address of record with the division. A licensee may apply for the renewal of an existing
4 license to the division no later than thirty days prior to the date of expiration. Upon receipt

6 shall submit, within seven days, a copy of the application to the locality to determine
7 whether the application complies with all local restrictions on renewal of licenses. The
8 division shall not accept an application for renewal of a license after the date of expiration,
9 except as provided in subsection 3 of this section. The division may extend the expiration
10 date of the license and accept a late application for renewal of a license if the applicant has
11 filed a timely renewal application with the local licensing authority. The division or the
12 local licensing authority, in its discretion, subject to the requirements of this subsection and
13 subsection 3 of this section and based upon reasonable grounds, may waive the thirty-day
14 time requirements set forth in this subsection.

15 2. The division may require an additional fingerprint request if there is a
16 demonstrated investigative need.

17 3. (1) Notwithstanding the provisions of subsection 1 of this section, a licensee
18 whose license has been expired for ninety days or less may file a late renewal application
19 upon the payment of a nonrefundable late application fee of five hundred dollars to the
20 division. A licensee who files a late renewal application and pays the requisite fees may
21 continue to operate until the division takes final action to approve or deny the licensee's
22 late renewal application unless the division summarily suspends the license.

23 (2) The division may administratively continue the license and accept a late
24 application for renewal of a license at its discretion.

25 **to 195.2281.**

26 **(b) If a retail marijuana store licensee or employee has reasonable cause to believe**
27 **that a person is under twenty-one years of age and is exhibiting fraudulent proof of age in**
28 **an attempt to obtain any marijuana or marijuana-infused product, the licensee or**
29 **employee is authorized to confiscate such fraudulent proof of age, if possible, and shall,**
30 **within seventy-two hours after the confiscation, remit the proof of age to a state or local**
