---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 301.130, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 301.130, to read as follows:

301.130. 1. The director of revenue, upon receipt of a proper application for registration, required fees and any other information which may be required by law, shall issue to the applicant a certificate of registration in such manner and form as the director of revenue may prescribe and a set of license plates, or other evidence of registration, as provided by this section. Each set of license plates shall bear the name or abbreviated name of this state, the words "SHOW-ME STATE", the month and year in which the registration shall expire, and an arrangement of numbers or letters, or both, as shall be assigned from year to year by the director of revenue. The plates shall also contain fully reflective material with a common color scheme and design for each type of license plate issued pursuant to this chapter. The plates shall be clearly visible at night, and shall be aesthetically attractive. Special plates for qualified disabled veterans will have the "DISABLED VETERAN" wording on the license plates in preference to the words "SHOW-ME STATE" and special plates for members of the National Guard will have the "NATIONAL GUARD" wording in preference to the words "SHOW-ME STATE".

2. The arrangement of letters and numbers of license plates shall be uniform throughout each classification of registration. The director may provide for the arrangement of the numbers in groups or otherwise, and for other distinguishing marks on the plates.

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

17           3. All property-carrying commercial motor vehicles to be registered at a gross weight in  
18 excess of twelve thousand pounds, all passenger-carrying commercial motor vehicles, local  
19 transit buses, school buses, trailers, semitrailers, motorcycles, motortricycles, motorscooters and  
20 driveaway vehicles shall be registered with the director of revenue as provided for in subsection  
21 3 of section 301.030, or with the state highways and transportation commission as otherwise  
22 provided in this chapter, but only one license plate shall be issued for each such vehicle, except  
23 as provided in this subsection. The applicant for registration of any property-carrying  
24 commercial vehicle registered at a gross weight in excess of twelve thousand pounds may request  
25 and be issued two license plates for such vehicle, and if such plates are issued, the director of  
26 revenue shall provide for distinguishing marks on the plates indicating one plate is for the front  
27 and the other is for the rear of such vehicle. The director may assess and collect an additional  
28 charge from the applicant in an amount not to exceed the fee prescribed for personalized license  
29 plates in subsection 1 of section 301.144.

30           4. The plates issued to manufacturers and dealers shall bear the letters and numbers as  
31 prescribed by section 301.560, and the director may place upon the plates other letters or marks  
32 to distinguish commercial motor vehicles and trailers and other types of motor vehicles.

33           5. No motor vehicle or trailer shall be operated on any highway of this state unless it  
34 shall have displayed thereon the license plate or set of license plates issued by the director of  
35 revenue or the state highways and transportation commission and authorized by section 301.140.  
36 Each such plate shall be securely fastened to the motor vehicle or trailer in a manner so that all  
37 parts thereof shall be plainly visible and reasonably clean so that the reflective qualities thereof  
38 are not impaired. Each such plate may be encased in a transparent cover so long as the plate is  
39 plainly visible and its reflective qualities are not impaired. License plates shall be fastened to  
40 all motor vehicles except trucks, tractors, truck tractors or truck-tractors licensed in excess of  
41 twelve thousand pounds on the front and rear of such vehicles not less than eight nor more than  
42 forty-eight inches above the ground, with the letters and numbers thereon right side up. The  
43 license plates on trailers, motorcycles, motortricycles and motorscooters shall be displayed on  
44 the rear of such vehicles either horizontally or vertically, with the letters and numbers plainly  
45 visible. The license plate on buses, other than school buses, and on trucks, tractors, truck tractors  
46 or truck-tractors licensed in excess of twelve thousand pounds shall be displayed on the front of  
47 such vehicles not less than eight nor more than forty-eight inches above the ground, with the  
48 letters and numbers thereon right side up or if two plates are issued for the vehicle pursuant to  
49 subsection 3 of this section, displayed in the same manner on the front and rear of such vehicles.  
50 The license plate or plates authorized by section 301.140, when properly attached, shall be prima  
51 facie evidence that the required fees have been paid.

52           6. (1) The director of revenue shall issue annually or biennially a tab or set of tabs as  
53 provided by law as evidence of the annual payment of registration fees and the current  
54 registration of a vehicle in lieu of the set of plates. Beginning January 1, 2010, the director may  
55 prescribe any additional information recorded on the tab or tabs to ensure that the tab or tabs  
56 positively correlate with the license plate or plates issued by the department of revenue for such  
57 vehicle. Such tabs shall be produced in each license bureau office.

58           (2) The vehicle owner to whom a tab or set of tabs is issued shall affix and display such  
59 tab or tabs in the designated area of the license plate, no more than one per plate.

60           (3) A tab or set of tabs issued by the director of revenue when attached to a vehicle in  
61 the prescribed manner shall be prima facie evidence that the registration fee for such vehicle has  
62 been paid.

63           (4) Except as otherwise provided in this section, the director of revenue shall issue plates  
64 for a period of at least six years.

65           (5) For those commercial motor vehicles and trailers registered pursuant to section  
66 301.041, the plate issued by the highways and transportation commission shall be a permanent  
67 nonexpiring license plate for which no tabs shall be issued. Nothing in this section shall relieve  
68 the owner of any vehicle permanently registered pursuant to this section from the obligation to  
69 pay the annual registration fee due for the vehicle. The permanent nonexpiring license plate shall  
70 be returned to the highways and transportation commission upon the sale or disposal of the  
71 vehicle by the owner to whom the permanent nonexpiring license plate is issued, or the plate may  
72 be transferred to a replacement commercial motor vehicle when the owner files a supplemental  
73 application with the Missouri highways and transportation commission for the registration of  
74 such replacement commercial motor vehicle. Upon payment of the annual registration fee, the  
75 highways and transportation commission shall issue a certificate of registration or other suitable  
76 evidence of payment of the annual fee, and such evidence of payment shall be carried at all times  
77 in the vehicle for which it is issued.

78           (6) Upon the sale or disposal of any vehicle permanently registered under this section,  
79 or upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued  
80 for such vehicle shall be returned to the highways and transportation commission and shall not  
81 be valid for operation of such vehicle, or the plate may be transferred to a replacement vehicle  
82 when the owner files a supplemental application with the Missouri highways and transportation  
83 commission for the registration of such replacement vehicle. If a vehicle which is permanently  
84 registered under this section is sold, wrecked or otherwise disposed of, or the lease terminated,  
85 the registrant shall be given credit for any unused portion of the annual registration fee when the  
86 vehicle is replaced by the purchase or lease of another vehicle during the registration year.

87           **7. Notwithstanding any other provision of this chapter to the contrary, beginning**  
88 **January 1, 2019, the department of revenue shall give owners of motor vehicles other than**  
89 **apportioned motor vehicles or a commercial motor vehicle licensed in excess of twenty-four**

101           **8.** The director of revenue and the highways and transportation commission may

108 Vehicles licensed for twenty-four thousand pounds that display special personalized license  
109 plates shall be subject to the provisions of subsections 1 and 2 of section 301.030. On and after  
110 August 28, 2016, owners of motor vehicles, other than apportioned motor vehicles or

118 reissuance, applicants for registration of trailers or semitrailers with license plates that expire  
119 during the period of reissuance and applicants for registration of vehicles that are to be issued  
120 new license plates during the period of reissuance shall pay the cost of the plates required by this  
121 subsection. The additional cost prescribed in this subsection shall not be charged to persons  
122 receiving special license plates issued under section 301.073 or 301.443. Historic motor vehicle

123 license plates registered pursuant to section 301.131 and specialized license plates are exempt
