

HB 1718 -- HEALTHCARE DETERMINATION APPEALS

SPONSOR: White

This bill requires the Director of the Department of Insurance, Financial Institutions and Professional Registration to resolve grievances regarding adverse determinations as to covered services appealed by an enrollee or health carrier or plan sponsor. If the grievance is unresolved by the director the appeal shall be sent to an independent review organization. If such review results in a reversal of the health carrier's decision, any fees charged by the independent review organization shall be reimbursed by the health carrier to the department.

This bill is the same as HB 720 (2017).
