

HB 1934 -- AUTOMATIC VOTER REGISTRATION

SPONSOR: McCann Beatty

This bill requires the Secretary of State to enable a system for automatic voter registration that will make use of driver's license information from the Department of Revenue to register voters. Those eligible for registration will receive notice and a chance to decline registration. Local election authorities will retain the ability to screen voters for eligibility, to conduct notice for registration, and to remove ineligible voters from registration lists.

This bill is the same as HB 638 (2017).
