

HB 1936 -- THE CARRYING OF CONCEALED FIREARMS

SPONSOR: Taylor

This bill makes changes to the list of locations an individual can carry a concealed firearm within this state and the list of locations an individual with a concealed carry permit can carry a concealed firearm within the state. This bill also prohibits the state, political subdivisions, and public institutions of higher learning from imposing any policies or contractual requirements that would have the effect of prohibiting employees or students from the carrying of concealed firearms into locations where concealed carry is not otherwise prohibited by law.

No changes have been made to the penalties for carrying a concealed firearm in locations prohibited under these sections.

This bill is similar to HB 630 (2017).
