

HB 2180 -- SALVAGE VEHICLES

SPONSOR: Kolkmeyer

This bill requires operators of salvage pools or salvage disposal sales to keep an electronic record of vehicles whose title is branded as salvage, junk, wrecked, nonrepairable, or similar brands. The criteria for record keeping is specified in the bill and includes obtaining proof of license to do business as a salvage dealer in Missouri or a declaration that the purchaser is authorized to purchase salvage vehicles by another jurisdiction. A knowing violation of the bill's provisions will be a civil infraction with a fine of up to \$1000 per violation.
