

HCS HBs 2277 & 1983 -- PLACARDS FOR PERMANENTLY DISABLED (Shaul  
(113))

COMMITTEE OF ORIGIN: Standing Committee on Transportation

This bill extends the registration period for those who originally provided a physician statement as proof of a permanent disability to renew license plates or placards from four to eight years.

The bill requires any individual, group, organization or entity that becomes ineligible for disabled license plates or placards, as specified in the bill, to surrender the disabled license plates or placards within 30 days.
