

HB 2326 -- DIVISION OF FIRE SAFETY

SPONSOR: Walsh

This bill amends various fund provisions within the Division of Fire Safety.

Currently, fees collected from certification testing and recertification testing for individuals who fall under the Division of Fire Safety are deposited into the General Revenue Fund. This bill changes it so those fees are deposited into the Fire Education Fund.

Additionally, funds in the Boiler and Pressure Vessels Safety Fund are currently appropriated for the expenses of the board. The bill specifies that those funds shall be appropriated for the enforcement and regulatory functions of the division. Similarly, funds in the Elevator Safety Fund are currently appropriated for the expense and function of the elevator safety and amusement ride safety boards. The bill specifies that those funds shall be appropriated for the enforcement and regulatory functions of the division.
