

HB 2394 -- BOARD MEMBERSHIP

SPONSOR: Ross

This bill make changes relating to boards of record control.

The State Historical Records Advisory Board is reduced from 12 members appointed by the Governor to seven members appointed by the Secretary of State.

The Missouri Board on Geographic Names adds a new member from the Department of Agriculture and reduces the at-large membership from nine to eight.

The membership on any local records board established under Section 109.255, RSMo, changes from one member representing first or second class counties and one member representing third or fourth class counties to two members and removes the requirement to have one member from a village, a township, and higher education.
