

HB 2442 -- SCHOOL AUDITS

SPONSOR: Cookson

This bill requires a school district to disclose, any time an audit is performed, financial information relating to extracurricular activities. Each district must disclose expenditures relating to rent for facilities; salaries for athletic directors, coaches, or supervisors; equipment and uniform costs; travel expenses; statewide organizational dues; and costs associated with game officials.

The bill also requires each district to hold a public meeting, with notice and opportunity for public comment, to present the results of any audit.
