

HB 2653 -- SEXUAL OFFENDERS

SPONSOR: Pietzman

This bill specifies that any convicted sexual offender required to register on the sex offender registry who changes his or her residence to a different county or city not within a county and who was convicted of child molestation in the first degree shall be required to be electronically monitored while relocating. Once he or she has relocated, no electronic monitoring shall be required. Such offender shall be responsible for all costs associated with the electronic monitoring.
