

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SEVENTY-SECOND DAY, FRIDAY, MAY 17, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Where two or three are gathered together in My name, there am I in the midst of them. (Matthew 18:20)

O Loving God, once again the eyes of our great nation are focused on our House of Representatives. We understand Your word that where two or three are gathered together in Your name there You are in the midst of them. Now make us aware of Your presence during this moment as we assemble in Your name, invoking Your blessing upon us and praying that You would make us adequate for the tasks of this day. Give us wisdom for the decisions we have to make and courage always to do what is right on this last day of session.

Bless our Governor, our Speaker and all the Members of this House, their staff and families. Support us during this long day until the shadows lengthen and 6:00 p.m. arrives, and the busy world is quiet, and the fever of political life is over, and our legislative work is done. Then, by Your great mercy, grant us satisfaction, rest, peace and quiet at last.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: John Francis Jackson.

The Journal of the seventy-first day was approved as printed by the following vote:

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SCS HB 355** entitled:

An act to repeal sections 386.020, 386.510, and 386.515, RSMo, and to enact in lieu thereof four new sections relating to matters within the scope of the public service commission.

With Senate Amendment No. 1, Senate Amendment No. 2, Senate Amendment No. 3, Senate Amendment No. 4, Senate Amendment No. 5 and Senate Amendment No. 6.

Senate Amendment No. 1

AMEND Senate Committee Substitute for House Bill No. 355, Page 4, Section 386.020, Lines 92-99, by striking said lines and inserting in lieu thereof the following:

“(c) Persons or corporations not otherwise engaged in the production or sale of electricity at wholesale or retail that sell, lease, own, control, operate, or manage one or more electric vehicle charging stations;”; and

Further amend said section by renumbering the remaining subdivisions accordingly; and

Further amend said bill, Page 12, Section 386.805, Line 4, by striking “the” and inserting in lieu thereof the following:

“their”.

Senate Amendment No. 2

AMEND Senate Committee Substitute for House Bill No. 355, Page 13, Section 386.805, Line 8, by inserting after all of said line the following:

“537.340. 1. If any person shall cut down, injure or destroy or carry away any tree placed or growing for use, shade or ornament, or any timber, rails or wood standing, being or growing on the land of any other person, including any governmental entity, or shall dig up, quarry or carry away any stones, ore or mineral, gravel, clay or mold, or any ice or other substance or material being a part of the realty, or any roots, fruits or plants, or cut down or carry away grass, grain, corn, flax or hemp in which such person has no interest or right, standing, lying or being on land not such person's own, or shall knowingly break the glass or any part of it in any building not such person's own, the person so offending shall pay to the party injured treble the value of the things so injured, broken, destroyed or carried away, with costs. Any person filing a claim for damages pursuant to this section need not prove negligence or intent.

2. Notwithstanding the provisions of subsection 1 of this section, the following rules shall apply to the trimming, removing, and controlling of trees and other vegetation by any electric supplier:

(1) Every electric supplier that operates electric transmission or distribution lines shall have the authority to maintain the same by trimming, removing, and controlling trees and other vegetation posing a hazard to the continued safe and reliable operation thereof;

(2) An electric supplier may exercise its authority under subdivision (1) of this subsection if the trees and other vegetation are within the legal description of any recorded easement or, in the absence of a recorded easement, the following:

(a) Within ten feet, plus one-half the length of any attached cross arm, of either side of the centerline of electricity lines potentially energized at or below 34.5 kilovolts measured line to line and located within the limits of any city; or

(b) Within thirty feet of either side of the centerline of electricity lines potentially energized at or below 34.5 kilovolts measured line to line and located outside the limits of any city; or

(c) Within fifty feet of either side of the centerline of electricity lines potentially energized between 34.5 and one hundred kilovolts measured line to line; or

(d) Within the greater of the following for any electricity lines potentially energized at one hundred kilovolts or more measured line to line:

a. Seventy-five feet to either side of the centerline; or

b. Any required clearance distance adopted by either the Federal Energy Regulatory Commission or an Electric Reliability Organization authorized by the Energy Policy Act of 2005, 16 U.S.C. Section 824o. Such exercise shall be considered reasonable and necessary for the proper and reliable operation of electric service and shall create a rebuttable presumption, in claims for property damage, that the electric supplier acted with reasonable care, operated within its rights regarding the operation and maintenance of its electricity lines, and has not committed a trespass;

(3) An electric supplier may trim, remove, and control trees and other vegetation outside the provisions in subdivision (2) of this subsection if such actions are necessary to maintain the continued safe and reliable operation of its electric lines;

(4) An electric supplier may secure from the owner or occupier of land greater authority to trim, remove, and control trees and other vegetation than the provisions set forth in subdivision (2) of this subsection and may exercise any and all rights regarding the trimming, removing, and controlling of trees and other vegetation granted in any easement held by the electric supplier;

(5) An electric supplier may trim or remove any tree of sufficient height outside the provisions of subdivision (2) of this subsection when such tree, if it were to fall, would threaten the integrity and safety of any electric transmission or distribution line and would pose a hazard to the continued safe and reliable operation thereof;

(6) Prior to the removal of any tree under the provisions of subdivision (5) of this subsection, an electric supplier shall notify the owner or occupier of land, if available, at least fourteen days prior to such removal unless either the electric supplier deems the removal to be immediately necessary to continue the safe and reliable operation of its electricity lines, or the electric supplier is trimming or removing trees and other vegetation following a major weather event or other emergency situation;

(7) If any tree which is partially trimmed by an electric supplier dies within three months as a result of said trimming, the owner or occupier of land upon which the tree was trimmed may request in writing that the electric supplier remove said tree at the electric supplier's expense. The electric supplier shall respond to such request within ninety days;

(8) Nothing in this subsection shall be interpreted as requiring any electric supplier to fully exercise the authorities granted in this subsection.

3. For purposes of this section, the term "electric supplier" means any rural electric cooperative that is subject to the provisions of chapter 394~~[-and]~~; any electrical corporation which is required by its bylaws to operate on the not-for-profit cooperative business plan, with its consumers who receive service as the stockholders of such corporation, and which holds a certificate of public convenience and necessity to serve a majority of its customer-owners in counties of the third classification as of August 28, 2003; **any municipally owned or operated electric power system that is subject to the provisions of chapter 91; and any municipally owned utility whose service area is set by state statute, service agreement, or other authority to include areas which are not incorporated into city limits.**"; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 3

AMEND Senate Committee Substitute for House Bill No. 355, Page 11, Section 386.020, Line 352, by inserting immediately after said line the following:

The board of aldermen may provide for and regulate the lighting of streets and the erection of lamp posts, poles and lights therefor, and may make contracts with any person, association or corporation, either private or municipal, for the lighting of the streets and other public places of the city with gas, electricity or otherwise, except that each initial contract shall be ratified by a majority of the voters of the city voting on the question and any renewal contract or extension shall be subject to voter approval of the majority of the voters voting on the question, pursuant to the provisions of section 88.251. The board of aldermen may erect, maintain and operate gas works, electric light works, or light works of any other kind or name, and to erect lamp posts, electric light poles, or any other apparatus or appliances necessary to light the streets, avenues, alleys or other public places, and to supply private lights for the use of the inhabitants of the city and its suburbs, and may regulate the same, and may prescribe and regulate the rates to be paid by the consumers thereof, and may acquire by purchase, donation or condemnation suitable grounds within or without the city upon which to erect such works and the right-of-way to and from such works, and also the right-of-way for laying gas pipes, electric wires under or above the grounds, and erecting posts and poles and such other apparatus and appliances as may be necessary for the efficient operation of such works. The board of aldermen may, in its discretion, grant the right to any person, persons or corporation, to erect such works and lay the pipe, wires, and erect the posts, poles and other necessary apparatus and appliances therefor, upon such terms as may be prescribed by ordinance. Such rights shall not extend for a longer time than twenty years, but may be renewed for another period or periods not to exceed twenty years per period. Every initial grant shall be approved by a majority of the voters of the municipality voting on the question, and each renewal or extension of such rights shall be subject to voter approval of the majority of the voters voting on the question, pursuant to the provisions of section 88.251. Nothing herein contained shall be so construed as to prevent the board of aldermen from contracting with any person, persons or corporation for furnishing the city with gas or electric lights in cities where franchises have already been granted, and where gas or electric light plants already exist, without a vote of the people, except that the board of aldermen may sell, convey, encumber, lease, abolish or otherwise dispose of any public utilities owned by the city including electric light systems, electric distribution systems or transmission lines, or any part of the electric light systems, electric or other heat systems, electric or other power systems, electric or other railways, gas plants, telephone systems, telegraph systems, transportation systems of any kind, waterworks, equipments and all public utilities not herein enumerated and everything acquired therefor, after first having passed an ordinance setting forth the terms of the sale, conveyance or encumbrance and when ratified by two-thirds of the voters voting on the question, except for the sale of a water or wastewater system, or the sale of a gas plant, which shall be authorized by a simple majority vote of the voters voting on the question. In the event of the proposed sale of a water or wastewater system, or a gas plant, the board of alderman shall hold a public meeting on such proposed sale at least thirty days prior to the vote. The municipality in question shall notify its customers of the informational meeting through radio, television, newspaper, regular mail, electronic mail, or any combination of notification methods to most effectively notify customers at least fifteen days prior to the informational meeting. **In advance of putting a proposed sale of a water or wastewater system, or a gas plant before the voters, the board of aldermen may seek an appraisal as set forth in subsections 3 and 4 of section 393.320. The board may also seek and provide additional reasonable analyses to inform voters of such sale,**

including but not limited to, the impact of such sale on all city funds and revenues, other city services, and annexation. Nothing in this section shall be so construed as to discourage the board of aldermen from seeking multiple bids when considering the disposal of a water or wastewater system or a gas plant by sale.

2. The board of aldermen's determination of the fair market value of a water or wastewater system or a gas plant for the purposes of this section shall not be dispositive of the price of a water or wastewater system, or a gas plant, which may be subject to negotiation by the board of aldermen.

3. The board of aldermen may consider alternatives to disposing of a water or wastewater system, or a gas plant by sale, including entering into a finance agreement, purchase agreement, management agreement, or lease agreement with another entity.

4. The board of aldermen may make available on its internet site, if such internet site exists, at least forty-five days prior to submitting a proposal for election pursuant to this section, a copy of the appraisal or additional reasonable analyses under subsection 1 of this section and the fair market value of a water or wastewater system or a gas plant. Such information may also be posted in the building where the board of aldermen has its monthly meetings.

5. The board of aldermen may make a good-faith effort to notify each property owner of the city and each ratepayer of a water or wastewater system or a gas plant of the proposal to dispose of the water or wastewater system, or a gas plant, by sale through radio, television, newspaper, regular mail, electronic mail, or any combination of such notification methods. Such notice may also include instructions for locating a summary of the proposal and a summary of any appraisal and analyses as under subsection 1 of this section on the board of aldermen's internet site, if such internet site exists. In the event the board of aldermen does not have an internet site, the notice may inform the recipient that written copies of such information may be made available at the building where the board of aldermen has its monthly meetings.

6. Nothing in this section shall be construed as a violation of section 115.646, relating to the use of public funds to advocate, support, or oppose the ballot measure prescribed in subsection 7 of this section.

7. The ballots shall be substantially in the following form and shall indicate the property, or portion thereof, and whether the same is to be sold, leased or encumbered:

Shall _____ (Indicate the property by stating whether electric distribution system, electric transmission lines or waterworks, etc.) be _____ (Indicate whether sold, leased or encumbered.)?"; and

Further amend the title and enacting clause accordingly.

With Senate Amendment No. 1.

Senate Amendment No. 1

AMEND Senate Substitute No. 2 for Senate Committee Substitute for House Committee Substitute for House Bill No. 604, Page 83, Section 168.133, Line 21 of said page, by inserting immediately after said line the following:

"168.221. 1. The first five years of employment of all teachers entering the employment of the metropolitan school district shall be deemed a period of probation during which period all appointments of teachers shall expire at the end of each school year. During the probationary period any probationary teacher whose work is unsatisfactory shall be furnished by the superintendent of schools with a written statement setting forth the nature of his or her incompetency. If improvement satisfactory to the superintendent is not made within one semester after the receipt of the statement, the probationary teacher shall be dismissed. The semester granted the probationary teacher in which to improve shall not in any case be a means of prolonging the probationary period beyond five years and six months from the date on which the teacher entered the employ of the board of education. The superintendent of schools on or before the fifteenth day of April in each year shall notify probationary teachers who will not be retained by the school district of the termination of their services. Any probationary teacher who is not so notified shall be deemed to have been appointed for the next school year. Any principal who prior to becoming a principal

had attained permanent employee status as a teacher shall upon ceasing to be a principal have a right to resume his or her permanent teacher position with the time served as a principal being treated as if such time had been served as a teacher for the purpose of calculating seniority and pay scale. The rights and duties and remuneration of a teacher who was formerly a principal shall be the same as any other teacher with the same level of qualifications and time of service.

2. After completion of satisfactory probationary services, appointments of teachers shall become permanent, subject to removal for any one or more causes herein described and to the right of the board to terminate the services of all who attain the age of compulsory retirement fixed by the retirement system. In determining the duration of the probationary period of employment in this section specified, the time of service rendered as a substitute teacher shall not be included.

3. No teacher whose appointment has become permanent may be removed except for one or more of the following causes: immorality, incompetency, or inefficiency in line of duty, violation of the published regulations of the school district, violation of the laws of Missouri governing the public schools of the state, or physical or mental condition which incapacitates him for instructing or associating with children, and then only by a vote of not less than a majority of all the members of the board, upon written charges presented by the superintendent of schools, to be heard by the board after thirty days' notice, with copy of the charges served upon the person against whom they are preferred, who shall have the privilege of being present at the hearing, together with counsel, offering evidence and making defense thereto. At the request of any person so charged the hearing shall be public. During any time in which powers granted to the district's board of education are vested in a special administrative board, the special administrative board may appoint a hearing officer to conduct the hearing. **Should the special administrative board relinquish power to the district's elected board of education, such board of education may also appoint a hearing officer to conduct the hearing.** The hearing officer shall conduct the hearing as a contested case under chapter 536 and shall issue a written recommendation to the board rendering the charges against the teacher. The board shall render a decision on the charges upon the review of the hearing officer's recommendations and the record from the hearing. The action and decision of the board upon the charges shall be final. Pending the hearing of the charges, the person charged may be suspended if the rules of the board so prescribe, but in the event the board does not by a majority vote of all the members remove the teacher upon charges presented by the superintendent, the person shall not suffer any loss of salary by reason of the suspension. Incompetency or inefficiency in line of duty is cause for dismissal only after the teacher has been notified in writing at least thirty days prior to the presentment of charges against him by the superintendent. The notification shall specify the nature of the incompetency or inefficiency with such particularity as to enable the teacher to be informed of the nature of his or her incompetence or inefficiency.

4. No teacher whose appointment has become permanent shall be demoted nor shall his or her salary be reduced unless the same procedure is followed as herein stated for the removal of the teacher because of inefficiency in line of duty, and any teacher whose salary is reduced or who is demoted may waive the presentment of charges against him by the superintendent and a hearing thereon by the board. The foregoing provision shall apply only to permanent teachers prior to the compulsory retirement age under the retirement system. Nothing herein contained shall in any way restrict or limit the power of the board of education to make reductions in the number of teachers or principals, or both, because of insufficient funds, decrease in pupil enrollment, or abolition of particular subjects or courses of instruction, except that the abolition of particular subjects or courses of instruction shall not cause those teachers who have been teaching the subjects or giving the courses of instruction to be placed on leave of absence as herein provided who are qualified to teach other subjects or courses of instruction, if positions are available for the teachers in the other subjects or courses of instruction.

5. Whenever it is necessary to decrease the number of teachers because of insufficient funds or a substantial decrease of pupil population within the school district, the board of education upon recommendation of the superintendent of schools may cause the necessary number of teachers beginning with those serving probationary periods to be placed on leave of absence without pay, but only in the inverse order of their appointment. Nothing herein stated shall prevent a readjustment by the board of education of existing salary schedules. No teacher placed on a leave of absence shall be precluded from securing other employment during the period of the leave of absence. Each teacher placed on leave of absence shall be reinstated in inverse order of his or her placement on leave of absence. Such reemployment shall not result in a loss of status or credit for previous years of service. No appointment of new teachers shall be made while there are available teachers on unrequested leave of absence who are properly qualified to fill such vacancies. Such leave of absence shall not impair the tenure of a teacher. The leave of absence shall continue for a period of not more than three years unless extended by the board.

6. If any regulation which deals with the promotion of teachers is amended by increasing the qualifications necessary to be met before a teacher is eligible for promotion, the amendment shall fix an effective date which shall allow a reasonable length of time within which teachers may become qualified for promotion under the regulations.

7. A teacher whose appointment has become permanent may give up the right to a permanent appointment to participate in the teacher choice compensation package under sections 168.745 to 168.750.

8. Should the state mandate that professional development for teachers be provided in local school districts and any funds be utilized for such, a metropolitan school district shall be allowed to utilize a professional development plan for teachers which is known within the administration as the "St. Louis Plan", should the district and the teacher decide jointly to participate in such plan."; and

Further amend the title and enacting clause accordingly.

Emergency clause adopted.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted the Conference Committee Report #2 on **HCS SCS SB 147, as amended**, and has taken up and passed **CCS#2 HCS SCS SB 147**.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SCS HCS HB 547** entitled:

An act to repeal sections 56.765 and 478.001, RSMo, and to enact in lieu thereof three new sections relating to alternative methods for the disposal of cases in the judicial system.

With Senate Amendment No. 1.

Senate Amendment No. 1

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 547, Page 9, Section 557.014, Line 104, by inserting after all of said line the following:

“650.058. 1. Notwithstanding the sovereign immunity of the state, any individual who was found guilty of a felony in a Missouri court and was later determined to be actually innocent of such crime solely as a result of DNA profiling analysis may be paid restitution. The individual may receive an amount of ~~[fifty]~~ **one hundred** dollars per day for each day of postconviction incarceration for the crime for which the individual is determined to be actually innocent. The petition for the payment of said restitution shall be filed with the sentencing court. For the purposes of this section, the term “actually innocent” shall mean:

- (1) The individual was convicted of a felony for which a final order of release was entered by the court;
- (2) All appeals of the order of release have been exhausted;
- (3) The individual was not serving any term of a sentence for any other crime concurrently with the sentence for which he or she is determined to be actually innocent, unless such individual was serving another concurrent sentence because his or her parole was revoked by a court or the board of probation and parole in connection with the crime for which the person has been exonerated. Regardless of whether any other basis may exist for the revocation of the person's probation or parole at the time of conviction for the crime for which the person is later determined to be actually innocent, when the court's or the board of probation and parole's sole stated reason for the revocation in its order is the conviction for the crime for which the person is later determined to be actually innocent, such order shall, for purposes of this section only, be conclusive evidence that their probation or parole was revoked in connection with the crime for which the person has been exonerated; and
- (4) Testing ordered under section 547.035, or testing by the order of any state or federal court, if such person was exonerated on or before August 28, 2004, or testing ordered under section 650.055, if such person was or is exonerated after August 28, 2004, demonstrates a person's innocence of the crime for which the person is in custody.

Any individual who receives restitution under this section shall be prohibited from seeking any civil redress from the state, its departments and agencies, or any employee thereof, or any political subdivision or its employees. This section shall not be construed as a waiver of sovereign immunity for any purposes other than the restitution provided for herein. The department of corrections shall determine the aggregate amount of restitution owed during a fiscal year. If insufficient moneys are appropriated each fiscal year to pay restitution to such persons, the department shall pay each individual who has received an order awarding restitution a pro rata share of the amount appropriated. Provided sufficient moneys are appropriated to the department, the amounts owed to such individual shall be paid on June thirtieth of each subsequent fiscal year, until such time as the restitution to the individual has been paid in full. However, no individual awarded restitution under this subsection shall receive more than thirty-six thousand five hundred dollars during each fiscal year. No interest on unpaid restitution shall be awarded to the individual. No individual who has been determined by the court to be actually innocent shall be responsible for the costs of care under section 217.831.

2. If the results of the DNA testing confirm the person's guilt, then the person filing for DNA testing under section 547.035, shall:

- (1) Be liable for any reasonable costs incurred when conducting the DNA test, including but not limited to the cost of the test. Such costs shall be determined by the court and shall be included in the findings of fact and conclusions of law made by the court; and
- (2) Be sanctioned under the provisions of section 217.262.

3. A petition for payment of restitution under this section may only be filed by the individual determined to be actually innocent or the individual's legal guardian. No claim or petition for restitution under this section may be filed by the individual's heirs or assigns. An individual's right to receive restitution under this section is not assignable or otherwise transferrable. The state's obligation to pay restitution under this section shall cease upon the individual's death. Any beneficiary designation that purports to bequeath, assign, or otherwise convey the right to receive such restitution shall be void and unenforceable.

4. An individual who is determined to be actually innocent of a crime under this chapter shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records all recordations of his or her arrest, plea, trial or conviction. Upon granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false

statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section.”; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **HB 563** entitled:

An act to repeal sections 215.030 and 260.035, RSMo, and to enact in lieu thereof two new sections relating to employer eligibility in the Missouri State Employees' Retirement System.

With Senate Amendment No. 1.

Senate Amendment No. 1

AMEND House Bill No. 563, Page 1, Section Title, Line 2, by inserting after "RSMo," the following:

"and section 169.560 as enacted by house bill no. 77, one hundredth general assembly, first regular session,"; and

Further amend Line 3 by striking all of said line and inserting in lieu thereof the following:

"relating to public employee retirement systems."; and

Further amend said bill and page, Section A, Line 1, by inserting after "RSMo," the following:

"and section 169.560 as enacted by house bill no. 77, one hundredth general assembly, first regular session,"; and

Further amend Line 2 by inserting after all of said line the following:

"169.560. 1. Any person retired and currently receiving a retirement allowance pursuant to sections 169.010 to 169.141, other than for disability, may be employed in any capacity for an employer included in the retirement system created by those sections on either a part-time or temporary-substitute basis not to exceed a total of five hundred fifty hours in any one school year, and through such employment may earn up to fifty percent of the annual compensation payable under the employer's salary schedule for the position or positions filled by the retiree, given such person's level of experience and education, without a discontinuance of the person's retirement allowance. If the employer does not utilize a salary schedule, or if the position in question is not subject to the employer's salary schedule, a retiree employed in accordance with the provisions of this subsection may earn up to fifty percent of the annual compensation paid to the person or persons who last held such position or positions. If the position or positions did not previously exist, the compensation limit shall be determined in accordance with rules duly adopted by the board of trustees of the retirement system; provided that, it shall not exceed fifty percent of the annual compensation payable for the position by the employer that is most comparable to the position filled by the retiree. In any case where a retiree fills more than one position during the school year, the fifty-percent limit on permitted earning shall be based solely on the annual compensation of the highest paid position occupied by the retiree for at least one-fifth of the total hours worked during the year. Such a person shall not contribute to the retirement system or to the public education employee retirement system established by sections 169.600 to 169.715 because of earnings during such period of employment. If such a person is employed in any capacity by such an employer in excess of the limitations set forth in this subsection, the person shall not be eligible to receive the person's retirement allowance for any month during which the person is so employed. In addition, such person shall contribute to the retirement system if the person satisfies the retirement system's membership eligibility

requirements. In addition to the conditions set forth above, this subsection shall apply to any person retired and currently receiving a retirement allowance under sections 169.010 to 169.141, other than for disability, who is employed by a third party or is performing work as an independent contractor, if such person is performing work for an employer included in the retirement system as a temporary or long-term substitute teacher or in any other position that would normally require that person to be duly certificated under the laws governing the certification of teachers in Missouri if such person was employed by the district. The retirement system may require the employer, the third-party employer, the independent contractor, and the retiree subject to this subsection to provide documentation showing compliance with this subsection. If such documentation is not provided, the retirement system may deem the retiree to have exceeded the limitations provided in this subsection.

2. Notwithstanding any other provision of this section, any person retired and currently receiving a retirement allowance in accordance with sections 169.010 to 169.141, other than for disability, may be employed by an employer included in the retirement system created by those sections in a position that does not normally require a person employed in that position to be duly certificated under the laws governing the certification of teachers in Missouri, and through such employment may earn up to sixty percent of the minimum teacher's salary as set forth in section 163.172, without a discontinuance of the person's retirement allowance. Such person shall not contribute to the retirement system or to the public education employee retirement system established by sections 169.600 to 169.715 because of earnings during such period of employment, and such person shall not earn membership service for such employment. The employer's contribution rate shall be paid by the hiring employer into the public education employee retirement system established by sections 169.600 to 169.715. If such a person is employed in any capacity by an employer in excess of the limitations set forth in this subsection, the person shall not be eligible to receive the person's retirement allowance for any month during which the person is so employed. In addition, such person shall become a member of and contribute to any retirement system described in this subsection if the person satisfies the retirement system's membership eligibility requirements. The provisions of this subsection shall not apply to any person retired and currently receiving a retirement allowance in accordance with sections 169.010 to 169.141 employed by a public community college.

3. **Notwithstanding any other provisions of the law to the contrary, for the 2019 calendar year, the amount to be paid by each community college to the board of trustees of the retirement system for funding purposes of the public education employee retirement system of Missouri shall be adjusted as follows:**

(1) **No later than August 30, 2019, the board of trustees of the retirement system shall calculate the amount paid by the college pursuant to this section from August 27, 2018, until the effective date of this act and provide the amount calculated to each college; and**

(2) **The amount to be remitted by each college for the remainder of the 2019 calendar year shall be reduced by the amount stated by the board of trustees of the retirement system.**

The adjustment made pursuant to this subsection shall not affect any payments by the colleges to the board of trustees of the retirement system after December 31, 2019, nor shall such adjustments affect payments by the board of trustees of the retirement system to any retiree.”; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **HCS for SB 282, as amended**, and has taken up and passed **HCS SB 282, as amended**.

Jefferson City, MO 65101

Dear Mrs. Miller:

Pursuant to Article III, Section 30 of the Missouri Constitution, we do hereby object to the constitutionality of the truly agreed to and finally passed version of **Senate Substitute for Senate Committee Substitute for House Bill 126** as the measure constitutes an undue burden on a woman’s right to access a legal abortion – running squarely in contradiction to clearly established and entrenched case law. *See generally, Whole Woman’s Health v. Hellerstedt*, 136 S. Ct. 2292 (2016); *Gonzales v. Carhart* 550 U.S. 124 (2007); *Stenberg v. Carhart*, 530 U.S. 914 (2000); *Planned Parenthood of Se. Pa v. Casey*, 505 U.S. 833 (1992); *Roe v. Wade*, 410 U.S. 113 (1973). This measure fails to offer any health care benefits to Missouri taxpayers yet will subject them to ongoing litigation costs on an issue already long-settled by the Supreme Court of the United States.

Therefore, as **Senate Substitute for Senate Committee Substitute for House Bill 126** is constitutionally infirm for the above stated reasons the measure should not be signed by the governor.

Please note said objection in the House Journal and annex it to truly agreed to and finally passed version of **Senate Substitute for Senate Committee Substitute for House Bill 126** to be considered by the governor in connection therewith as mandated by Article III, Section 30 of the Missouri Constitution.

Best Regards,

Thou are my God, and I will praise You: Thou are my God, I will exalt You. (Psalm 118:28)

Ever-seeing God, in whom we live and move and have our being, You filled us with Your spirit, that we have not yielded to temptation but been strengthened with inward power for outward tasks. We have met our obligations with honor, our duties with faith, and our responsibilities with a high regard for the good of all citizens.

Bless us with those deep and abiding convictions which keep our state strong, which makes our institutions vital, and fill our homes with love and joy and peace. May noble virtues live in us as we return home to the love and comfort of our families with a sense of a job well done.

And the House says, "Amen!"
