

HB 692 -- RESTITUTION FOR WRONGFUL IMPRISONMENT

SPONSOR: Bosley

Currently, when an individual is found guilty of a felony and later found innocent of the crime as the result of a DNA profiling analysis the individual may be paid restitution in the amount of \$50 for each day of postconviction incarceration. This bill increases the amount to \$100 per day.

This bill is similar to HB 1813 (2018).
