

HB 916 -- INTOXICATING LIQUOR RESALE

SPONSOR: Bailey

This bill allows retailers with a license to sell intoxicating liquor for off premise consumption to sell to retailers licensed to sell intoxicating liquor for on premise consumption provided that the liquor was originally purchased from a Missouri licensed wholesale liquor dealer. The cost of a license for retailers authorized to sell liquor for off premise consumption to sell to other retailers is \$250. Monthly reports to the supervisor of liquor control will be required with the content specified in the bill.

Violation of these provisions is a misdemeanor.
