Officials from the **Missouri Ethics Commission (MEC)** assume the proposal will have no fiscal impact on their organization. However, if a significant number of entities were to begin reporting such activity as outlined in 130.047 RSMo, additional analysts would be required to assist in providing filing assistance and review of reports filed with the commission. Also, if the Commission identifies significant violations during the process established in Section 105.955.14 (2), (3), RSMo, or complaints received increase significantly an Investigator would be required to provide the proper oversight.
