Section A. Chapter 115, RSMo, is amended by adding thereto one new section, to be known as section 115.970, to read as follows:

115.970. 1. Notwithstanding any other provision of law, the secretary of state shall establish a process to conduct automatic voter registration, based on driver's license information, which shall provide recommendations to local election authorities for the automatic registration of eligible voters.

2. The department of revenue and the motor vehicle and driver licensing division shall, periodically as required by rule or policy, provide the secretary of state with such information as the secretary of state specifies is necessary to conduct recommendations for automatic voter registration.

3. The secretary of state shall provide lists of nonbinding recommendations for inclusion on voter registration lists to local election authorities, and such authorities shall include such recommendations on voter registration lists subject to existing verification procedures for determining whether an individual is eligible to register to vote and eligible to vote. Local election authorities shall retain full jurisdiction and power to decline to register individuals not verified to be eligible to vote and to remove the names of individuals who are no longer eligible to vote from voter registration lists.

4. Within two months of receipt of a proposed voter registration list, but prior to including a recommended individual on a voter registration list, the local election authority shall send notice of potential automatic registration, which shall include a postage-paid

23 not be construed to prevent removal from voter registration lists by any other method
24 allowed under this chapter.

25 5. The provisions of this section allow for automatic voter registration in addition
26 to any other method of registration allowed under this chapter and shall not be interpreted
27 to invalidate any other method for voter registration.

28 6. The provisions of this section with regard to the secretary of state, the
29 department of revenue, and local election authorities shall be subject to the appropriation
30 and payment of funds necessary to conduct automatic voter registration and verification

36 section 536.028. This section and chapter 536 are nonseverable, and if any of the powers
37 vested with the general assembly pursuant to chapter 536 to review, to delay the effective
38 date, or to disapprove and annul a rule are subsequently held unconstitutional, then the
39 grant of rulemaking authority and any rule proposed or adopted after August 28, 2020,
