2 **37.1091.** The "Missouri Local Government Expenditure Database" is hereby
3 created and shall be maintained on the Missouri accountability portal, established under
4 section 37.850, by the office of administration. The database shall be available on the office
5 of administration website and shall include information about expenditures made during
6 each fiscal year that begins after December 31, 2022. The database shall be publically
7 accessible without charge.

2 **37.1092.** For each expenditure, the Missouri local government expenditure database
3 shall include the following information:

- 3 (1) The amount of the expenditure;
- 4 (2) The date the expenditure was paid;
- 5 (3) The vendor to whom the expenditure was paid, unless the disclosure of the
6 vendor's name would violate a confidentiality requirement, in which case the vendor may
7 be listed as confidential;
- 8 (4) The purpose of the expenditure; and
- 9 (5) The municipality or county that made the expenditure or requested the
10 expenditure be made.

2 **37.1093.** The Missouri local government expenditure database shall provide:

- 2 (1) A database of all expenditures; and
- 3 (2) The ability to download information.

2 **37.1094. 1.** A municipality or county may choose to voluntarily participate in the
3 Missouri local government expenditure database, or, if a requisite number of residents of
4 a municipality or county request the municipality or county to participate, such
5 jurisdiction shall participate in the Missouri local government expenditure database. The
6 requisite number of residents requesting participation shall be five percent of the
7 registered voters of such jurisdiction voting in the last general municipal election, as
8 described under section 115.121. Residents may request participation by submitting a
9 written letter by certified mail to the governing body of the municipality or county and the
10 office of administration. Multiple residents may sign one letter, but the number of requests
11 from residents shall include all requests from all letters received. Upon receiving such a
12 letter, a municipality or county shall acknowledge receipt thereof to the resident and the
13 office of administration within thirty days. After receiving the requisite number of
14 requests, a municipality or county shall begin participating in the database but shall not
15 be required to report expenditures incurred before one complete six-month reporting
16 period described under subsection 2 of this section has elapsed.

16 **2.** Each municipality or county participating in the database shall provide
17 electronically transmitted information to the office of administration, in a format the office

18 requires, for inclusion in the Missouri local government expenditure database regarding
19 each of the municipality or county's expenditures biannually. Information regarding the
20 first half of the calendar year shall be submitted before July thirty-first of such year.
21 Information regarding the second half of the calendar year shall be submitted before
22 January thirtieth of the year immediately following such year.

23 3. Notwithstanding subsection 1 of this section, no submission shall be required for
24 any expenditures incurred before January 1, 2023.

25 4. The office of administration shall provide each municipality and county
26 participating in the database with a template in the format described under section 37.1092
27 for the purpose of uploading the data. The office of administration shall have the authority
28 to grant the municipality or county access for the purpose of uploading data.

29 5. Upon appropriation, the office of administration shall provide financial
30 reimbursement to any participating municipality or county for actual expenditures
31 incurred for participating in the database.

37.1095. No later than one year after the Missouri local government expenditure
2 database is implemented, the office of administration shall provide, on the office of
3 administration website, an opportunity for public comment on the utility of the database.

37.1096. The Missouri local government expenditure database shall not include any
2 confidential information or any information that is not a public record under the laws of
3 this state. However, the state shall not be liable for the disclosure of a record in the
4 Missouri local government expenditure database that is confidential information or is not
5 a public record under the laws of this state.

37.1097. Each municipality or county that has a website shall display on its website
2 a prominent internet link to the Missouri local government expenditure database.

37.1098. The office of administration may adopt rules to implement the provisions
2 of sections 37.1090 to 37.1098. Any rule or portion of a rule, as that term is defined in
3 section 536.010, that is created under the authority delegated in this section shall become
4 effective only if it complies with and is subject to all of the provisions of chapter 536 and,
5 if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any
6 of the powers vested with the general assembly pursuant to chapter 536 to review, to delay
7 the effective date, or to disapprove and annul a rule are subsequently held
8 unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted
9 after August 28, 2020, shall be invalid and void.
