4 to the custody, control, and disposition of deceased human remains, including the common law
5 right of sepulcher, where not otherwise defined, the term "next-of-kin" means the following
6 persons in the priority listed if such person is eighteen years of age or older, is mentally

17 of age and has a legal or natural guardian, such child shall not be disqualified on the basis of the
18 child's age and such child's legal or natural guardian, if any, shall be entitled to serve in the place
19 of the child unless such child's legal or natural guardian was subject to an action in dissolution
20 from the deceased. In such event the person or persons who may serve as next-of-kin shall serve
21 in the order provided in subdivisions (5) to (9) of this subsection;

34 remains of any dead human being consistent with all applicable laws, including all applicable

43 to this chapter for actions taken regarding the funeral arrangements for a deceased person in the
44 director's or establishment's care, the relative fault, if any, of such funeral director or
45 establishment may be reduced if such actions are taken in reliance upon a person's claim to be

 57 director has no knowledge of any objection by other members of such class, the funeral director
 58 or establishment shall be entitled to rely on and act according to the instructions of the first such
 59 person in the class to make arrangements; provided that such person assumes responsibility for
 60 the costs of disposition and no other person in such class provides written notice of his or her
 61 objection. If the funeral director has knowledge that there is more than one person in a class who
 62 are equal in priority and who do not agree on the disposition, the decision of the majority of the
 63 members of such class shall control the disposition.
