DANA RADEMAN MILLER, Chief Clerk

AN ACT

To amend chapter 210, RSMo, by adding thereto one new section relating to child care facilities.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 210, RSMo, is amended by adding thereto one new section, to be known as section 210.233, to read as follows:

210.233. 1. All licensed child care facilities shall report annually to the department of health and senior services whether the child care facility has liability insurance coverage and if so, shall provide the department with proof of such insurance coverage.

2. The department shall publish and update annually on its website whether each licensed child care facility has liability insurance coverage. Upon request, the department shall provide insurance coverage information regarding a child care facility, including the name, address, and telephone number of the facility's liability insurance carrier.

3. The department may promulgate rules and regulations to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.
