24 seller from a driver's license or other government-issued identification that includes the
25 individual's photograph, and record the verification; or

26 (b) In a manner determined by the recycler, verify that the individual is acting on
27 behalf of a corporation, business, government, or governmental subdivision or agency.

28 (3) A recycler shall retain a record obtained or made under this section until the
29 first anniversary of the later of the dates the containers are purchased or delivered.

30 (4) (a) a. A recycler who purchases a returnable container from an individual shall
